## Core Offer After-School Activity Contract

Dear Parents/Carers,

St. Quintin Centre for Disabled children and young people would like you to sign a contract for afterschool activities.

If a child **does not attend** or a parent/carer **calls to cancel** on **two** or more occasions, the child will be taken off the activity for the term and a letter will be sent to inform you of this.

Hydrotherapy Pool sessions are for children that are unable to access public activities due to health and mobility problems.

Children going on off-site activities need to be at the Centre no later than 4.15pm. Any later may result in disappointment. If any activities are cancelled provision will be provided at the centre.

Please come into the Centre to make your block booking payment. If you do book your child/young person on an activity please sign and date the contract and return with payment.
