Find your Flock

Birdsong can be hard to learn. A good way to start is to think of words that sound like the bird song.

Here are bird songs to listen to on your nature walk.

Duck

“Quack—quack”

Carrion Crow

“Caw caw”

Goldfinch

“Tinkle-tinkle”

Words that are sounds are called onomatopoeia

Tawny Owl

“Twit-twoo”

There are some flashcards on the following pages. You can print these out and use them for:

- A game of snap
- Memory pairs
- Guessing the birds from the songs.
