## **LA Schemes for the Co-ordination of Admissions to Secondary Transfer (Year 7 entry) for the academic year 2023/24**

### **Background**

In accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012, all Local Authorities (LAs) are required to formulate schemes for coordinating arrangements for the admission of children to maintained secondary schools and academies. Details of the Royal Borough scheme for 2023/24 for Year 7 entry which forms part of the Pan-London Coordinated Admissions System (PLCAS) are set out in this document. All maintained schools and academies are required to take part.

### **Scheme for the coordination of admissions to Year 7 in 2023/24**

1. RBKC will advise home LAs of their resident pupils on the roll of RBKC's maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.
2. Applications from residents of RBKC will be made on the RBKC Common Application Form (CAF). The CAF will include all the fields and information specified in Schedule 1 (page 10). These will be supplemented by any additional fields and information which are deemed necessary by RBKC to enable the admission authorities in the LA area to apply their published oversubscription criteria. The CAF can be obtained online via the London eAdmissions portal provided by LGFL. This can be accessed via the RBKC website at: [www.rbkc.gov.uk/schooladmissions](http://www.rbkc.gov.uk/schooladmissions). Paper forms are made available if requested.
3. RBKC will take all reasonable steps to ensure that every parent who is resident in RBKC and has a child in a maintained primary school, either in RBKC or any other maintaining LA, can access RBKC's admissions booklet and CAF, including details of how to apply online.
4. The admission authorities within RBKC will not use Supplementary Information Forms (SIFs) except where the information available through the CAF is insufficient for consideration of the application against the published oversubscription criteria. Where SIFs are used by the admissions authorities within RBKC, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 2.4 of the School Admissions Code 2021.
5. Where SIFs are used by admission authorities in RBKC, they will be accessible via RBKC's website. Such forms will advise parents that they must also complete their Home LA's CAF. RBKC's admission booklet and website will indicate which schools

in RBKC require SIFs to be completed and where they can be obtained. A list of schools requiring the completion of an additional supplementary form is also given in Schedule 4 (page 13).

6. Where a school in RBKC receives a SIF, RBKC will not consider it to be a valid application unless the parent has also listed the school on their Home LA's CAF, in accordance with paragraph 2.3 of the Admissions Code.
7. Applicants will be able to express a preference for up to six maintained secondary schools or Academies within and/or outside the Home LA.
8. The order of preference given on the CAF will not be revealed to any school in accordance with paragraph 1.9 of the School Admissions Code. However, where a parent resident in RBKC expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where a child is eligible for a place at more than one school in that LA's area.
9. If applying on a paper CAF, this will need to be sent direct by parents to the Admissions Team or submitted to the primary school then forwarded to the Admissions Team. Although a compromise on confidentiality of school preferences, it is recognised that this is necessary so that school staff can assist parents in the application process. Parents must be given the opportunity to apply direct to the Admissions Team if they wish. All paper CAFs must be received by the Admissions Team by 5pm on the closing date, **31 October 2022**. Online applications must be submitted by 11.59pm on the closing date.
10. If requested the Admissions Team will issue a written acknowledgement to parents for any paper CAFs received. The guidance provided with the CAF (paper and online), accompanying notes and RBKC Admissions Brochure will emphasise that parents must complete only one CAF. Where more than one CAF is received (e.g. paper and online), the Admissions Team will contact the parent/guardian to resolve the order of preference. If the matter remains unresolved, the last form submitted will be used.
11. RBKC undertakes to carry out the address verification process set out in its entry in the LIAAG Address Verification Register. This will, in all cases, include validation of resident applicants against RBKC's maintained primary school data and the further investigation of any discrepancy. In addition, RBKC will request documentary evidence of the child's address. Where RBKC is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it must advise the maintaining LA no later than **12 December 2022**.
12. Where there is a discrepancy between the address given on the CAF and a school SIF, the Admissions Team will contact the parent/guardian to identify the correct home address. If the matter remains unresolved, the address on the CAF will be

deemed as the correct address.

13. Applications made from RBKC resident families working, or temporary living abroad, will be processed with all other applicants. The address that the child is living at the time of application, and at the closing date, will be used for purpose of processing. The applicant must inform the LA on their return in order for the address to be updated. Proof of address and occupancy will be requested.
14. RBKC will check the status of any resident applicant who is a 'Child Looked After' and provide evidence to the maintaining LA in respect of a preference for a school not in RBKC's area by **14 November 2022**.
15. RBKC will advise a maintaining LA of the reason for any preference expressed for a school not in RBKC's area, in respect of a resident child born outside of the correct age cohort and will forward any supporting documentation to the maintaining LA by **14 November 2022**.

### **Processing**

16. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of RBKC's scheme, will be uploaded to the Pan London Register (PLR) by **14 November 2022**. Supplementary information provided with the CAF will be sent to maintaining LAs by the same date.
17. The timetable for the exchange of application and offer information between the LA and schools within RBKC is outlined in Schedule 3 (page 12).
18. RBKC will not normally consider late applications (i.e. applications received after the closing date) until after the offer date of **1 March 2023** unless there are very exceptional circumstances. Examples of what will be considered as good reason include: when a single parent has been ill for some time, or has been dealing with the death of a close relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a property within RBKC will be required in these cases) or there is uncertainty affecting the date that the application was received. Each case will be decided on its own merits.
19. Where such applications contain preferences for schools in other LAs, RBKC will forward the details to maintaining LAs via the PLR as they are received. RBKC will accept late applications which are considered to be on time within the terms of the Home LA's scheme.
20. The latest date for the upload of late applications which are considered to be on-time to the PLR is on **12 December 2022**.

21. Where a parent moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **12 December 2022**, on the basis that an on-time application already exists within the Pan-London system.
22. RBKC will participate in the application data checking exercise to be scheduled between **13 December 2022 and 3 January 2023** in the Pan-London timetable in Schedule 3 (page 12).
23. All preferences for schools and academies within RBKC will be considered by the relevant admission authorities against the school's published oversubscription criteria without reference to rank order in accordance with paragraph 1.9 of the School Admissions Code. RBKC will administer direct the admissions to community schools in RBKC.
24. All applicants for a school must be included on the ranked list. For RBKC voluntary aided schools, RBKC can provide home to school distances (straight line) to prioritise applicants tied under a certain criterion and/or rank applicants not meeting faith or other criteria. Where a school specifies a certain number of places to be offered under each category e.g. foundation and open places, a ranked list should be provided for each category. Where appropriate, applicants may be included on more than one list.
25. When the admission authorities within RBKC have provided a list of applicants in criteria order to RBKC, RBKC shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. This is the 'Equal Preference System' - explanatory note in Schedule 4 (page 14).
26. RBKC will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS before uploading data to the PLR.
27. RBKC will upload the highest potential offer available to an applicant for a maintained school in RBKC to the PLR by **31 January 2023**. The PLR will transmit the highest offer made by the Maintaining LA to the Home LA.
28. The Local Admission System (LAS) of RBKC will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the annual Business User Guide) which will continue until notification that a steady state has been achieved, or until **13 February 2023** if this is sooner.
29. RBKC will not make an additional offer between the end of the iterative process and **1 March 2023** which may impact on an offer being made by another participating LA.

30. Notwithstanding paragraph 28, if an error is identified within the allocation of places at one of RBKC's schools, RBKC will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a Home or Maintaining LA) RBKC will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, RBKC will accept that the applicant(s) affected might receive a multiple offer.
31. RBKC will participate in the offer data checking exercise to be scheduled between **14 and 21 February 2023** in the Pan-London timetable.
32. RBKC will send a file to the eAdmissions portal, with outcomes for all residents who have applied online, no later than **22 February 2023**.

### **Offers**

33. RBKC will inform all resident applicants of their highest potential offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.
34. RBKC will ensure, so far as is reasonably practical, that each resident applicant who cannot be offered a preference expressed on the Common Application Form, receives the offer of an alternative school place. In these circumstances the nearest school with vacancies will be offered (as measured by straight line distance).
35. On **1 March 2023**, all resident applicants that applied online will receive an email notifying them of their outcome and a link to their formal letter during the evening. Resident applicants that applied on a paper form will be sent a letter in the post e 1<sup>st</sup> class on **1 March 2023**.

RBKC's outcome letter will include the information set out in Schedule 2 and as detailed below (depending on the outcome):

- i) the name of the school at which a place is offered. If it is not possible to offer a school preference listed on the CAF, an offer will be made for a school within the bi-borough<sup>1</sup> area that is considered a reasonable<sup>2</sup> alternative, if there are vacancies available. An offer may also be made for a neighbouring borough school.
  
- i) the reason why an offer was not made for any school for which a higher preference may have been expressed;

---

<sup>1</sup> Bi-borough is –The Royal Borough of Kensington and Chelsea and Westminster Council.

<sup>2</sup> A reasonable alternative is considered to be a secondary school within a 3 mile walking distance from home.

- ii) notifies parents of their statutory right of appeal against the decisions to refuse a place at any school for which they expressed a higher preference;
- iii) and the opportunity to make further preferences by **15 March 2023** for parents not offered any of their preferences. The details of schools in neighbouring LAs that may have vacancies will be provided.

All parents will be asked to accept or decline their offer of a place by **15 March 2023**.

36. RBKC will provide primary schools with destination data of its resident applicants by the end of the Summer term 2020.

### **Post-offer**

37. RBKC will request that resident applicants accept or decline the offer of a place by **15 March 2023**, or within two weeks of the date of any subsequent offer.

38. Where an applicant resident in RBKC accepts or declines a place in a school maintained by another LA by **15 March 2023** RBKC will forward the information to the maintaining LA by **22 March 2023**. Where such information is received from applicants after **15 March 2023**, RBKC will pass it to the maintaining LA as it is received.

39. Where a place becomes available in an oversubscribed maintained school or academy in RBKC's area, it will be offered from a waiting list in accordance with paragraph 2.14 of the School Admissions Code 2021.

40. When acting as a maintaining LA, RBKC will inform the home LA, where different, of an offer for a maintained school or Academy in RBKC's area which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.

41. When acting as a maintaining LA, RBKC and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.

42. When acting as a home LA, RBKC will offer a place at a maintained school or academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the CAF than any school already offered.

43. When acting as a home LA, when RBKC is informed by a maintaining LA of an offer which can be made to an applicant resident in RBKC's area which is ranked lower on the CAF than any school already offered, it will inform the maintaining LA that the offer will not be made and the applicant must re-apply.

44. When acting as a home LA, when RBKC has agreed to a change of preference order for good reason, it will inform any maintaining LA affected by the change. In such cases, paragraphs 40 and 41 shall apply to the revised order of preferences.
45. When acting as a home LA, RBKC will advise any affected maintaining LA of any late preferences received either as a result of a new application received after the closing date or additional preferences.
46. When acting as a maintaining LA, RBKC will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
47. When acting as a maintaining LA, RBKC will accept new applications (including additional preferences) from home LAs for maintained schools and academies in its area.
48. Applicants' names will be included on waiting lists for schools which have been named as a higher preference than the one offered. For example, if a child has been offered their third preference school, they will be included on the waiting list for their first and second preference schools. Applicants' names will not normally be included on waiting lists for schools which were a lower preference than the one offered. For any vacancies that arise after the initial **1 March 2023** offer date, the school governors will decide who is offered any subsequent vacancies at own admission authority schools. These places will be offered to children on the waiting list in accordance with the schools' published admission arrangements.
49. Where a waiting list is maintained by an admission authority of a maintained school or academy in this LA's area, the admission authority will notify this LA of a potential offer, in order that the offer may be made by the home LA.
50. For all schools, late applicants will be included on a single school waiting list along with unsuccessful applications received before the closing date, ranked in order of priority under the school's published admission criteria in accordance with paragraph 2.14 of the School Admissions Code 2021.
51. A second round of offers will be made from 29 March 2023.

### **Template Outcome Letter for Admissions to Year 7 in 2023/24**

From: Home LA

Date: **1 March 2023**

Dear Parent,

Application for a Secondary School

*I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.*

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants have a higher priority than your child under the school's published admission criteria.

*Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the coordinated admission arrangements, as a higher preference has been offered.*

If you would like more information about the reason why your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the *School Standards & Framework Act 1998* against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

*Please would you confirm that you wish to accept the place at X School by accepting online [paper form - completing the reply slip below]. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.*

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

Your child's name has been placed on the waiting list for any school which was a higher preference on your application form than the school you have been offered. If you need to find out your child's position on the waiting list please contact the admission authority or the borough in which the school is situated.

*Please submit online by **15 March 2023** [paper form - return the reply slip].  
If you have any questions about this letter, please contact the Admissions  
Team on\_\_\_\_\_.*

Yours sincerely

## **SCHEDULE 5**

### **EXPLANATORY NOTE - THE EQUAL PREFERENCE SYSTEM**

1. All LAs have been required to co-ordinate admissions to all maintained secondary schools in their area since September 2005. The main aims of coordinated admissions are to ensure that as many parents receive one, and no more than one, offer of a primary school place, and that this will be the parents' highest preference possible.
2. The system used is known as the Equal Preference System. Although parents are required to rank their preferred schools in preference order, this preference number information is not released to admission authorities. Voluntary-aided and Academy schools will then consider all school applicants, without reference to the parent preference number, against their admission criteria and provide a list of applicants ranked accordingly to the LA. The LA will order applicant lists for community schools.
3. The parental ranking of a school is only taken into account where the child would otherwise be offered more than one school. In these circumstances, the LA shall, for each applicant to participating schools for whom more than one offer is available, use the highest ranked preference to decide which single potential offer should be made. Please see the example below:

#### Example

The parent of John Smith has applied for six schools. He qualifies to be offered a place at three schools under their admission criteria but under coordinated admission arrangements, is only offered the highest preference of these schools:

1. School A - not eligible
2. School B - potential offer
3. School C - potential offer
4. School D - not eligible
5. School E - potential offer
6. School F - not eligible

Under coordinated arrangements, John would be offered School B. The places at School C and School E would then be offered to the next child on the school's application lists.

Any multiple offers across schools will be removed through the admissions software, which will retain the highest offer possible for each child. The resulting vacancies will then be filled automatically by the next ranked child from the school's allocation list. This will continue until all places are filled or individual school lists are exhausted.
