Experience the magic of Forest School from home!

## Shadow Puppets

Shadow puppets are an important part of an ancient story telling. On a lovely sunny day, see if you can create these shadow puppets. You could also use a bright lamp or a torch indoors.

Step One

Make sure the sun or lamp is behind you and that there is a light coloured wall or surface in front of you so that the shadow can be seen on it.

Step Two

Try and make these shapes with your hands:

Bird

Snail

Deer

Swan

Dog

Butterfly

Duck

Can you tell a story and include the shadow puppets?
