

Application Form For Suspending Parking Bays

We suspend parking places so that necessary work can be carried out by the public utilities (gas, water and electricity companies). Also, so that private companies and individuals may carry out removals and provide services.

An application for the suspension of a parking space is available to vans, lorries and trucks. We do not grant suspensions for cars, people carriers, four-wheel-drive vehicles or minibuses.

Submission of this form is not an agreement that the suspension will be agreed.

The Council reserves the right to cancel an application if the suspension charge has not been paid before the date shown on the invoice.
