

Application for a dispensation on a single yellow line or restricted zone to load and unload only

A single yellow line dispensation only allows you to park one vehicle (not a car) on a single yellow line to load and unload. Double yellow line dispensations can be given in exceptional circumstances. Once the work has been completed, you must park the vehicle legally.

We will not issue dispensations for a vehicle that is being used for loading or unloading scaffolding or carrying out furniture removals.

Please fill in this form (in block capitals)
