Feedback

We

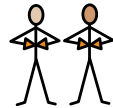

Asked:

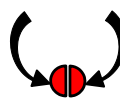

How

can

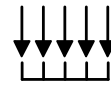

we

make

the

All

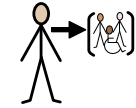

For

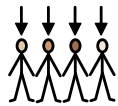

Youth

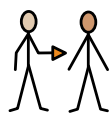

magazine

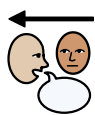

inclusive

for everyone?

You

Said:

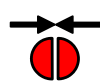

Design

the

pages

together,

use

more

symbols

so

I can

do

recipes

and

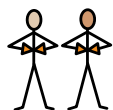

activities

at

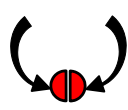

home.

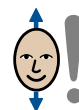

We

Did:

Make

sure

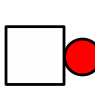

the

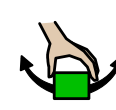

magazine

is

accessible

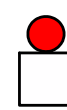

by

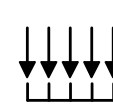

using

symbols

on

every

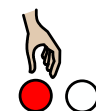

page

or

having

an option

to

listen

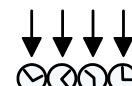

to the

page.

Do

regular

visits

to

design

the

content

with

young people

in

their

settings.
