We Asked: Different questions about what it means to feel included and

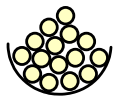

supported in school.

You

Said:

Lots of

different

ideas,

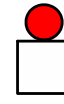

like

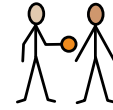

having

people

on

your

side,

asking

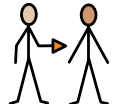

for

help

when

you

really

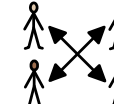

need

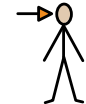

it,

helping

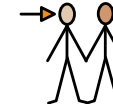

anyone

who

looks like

they're

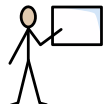

struggling

+

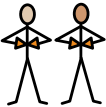

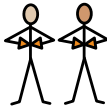

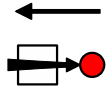

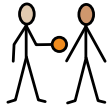

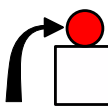

and

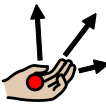

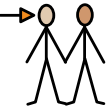

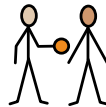

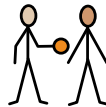

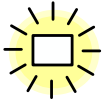

listening

to teachers.

 We  Did:  We  passed  your  feedback  on to  the team  writing the Ordinarily

 Available  Provision  document  for them  to  add in  your  ideas.  'Someone  on  your

 side' is the tagline of the  new  SEND  Strategy.
