St Quintin’s Marlborough South Centre

St Quintin’s South Centre is based at Marlborough Primary School, SW3 3AP. We are operational on Saturdays 10am-4pm, term time only and throughout the school holidays, Monday to Friday 10am-4pm.

We cater for care package non-wheelchair users, aged 5-14 who are residents of either Kensington and Chelsea or Westminster. We currently use the specialist Autism Unit on the 2nd Floor which has its own outdoor area.

At Marlborough we offer onsite and offsite activities for all our service users. The activities can include: messy play, sensory stories, focused art activities, swimming, cinema trips, bowling, local park trips as well as venturing to activity parks a little further afield such as Thames Valley Adventure Playground.

Yvonne Ferguson is the Team Leader of the South.
