

Year 6-7 Transition Booklet Feedback

We Asked: What would you want in a booklet to help you

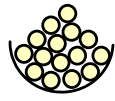

with moving from primary to secondary school?

You

Said:

Lots of

ideas

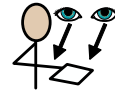

like

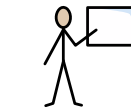

a section

to

show

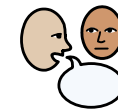

teachers

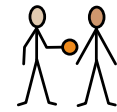

how

to

say

your

name

right,

a page

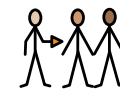

for sharing

good things

about

yourself,

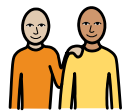

pages

about

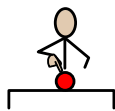

making

friends

and

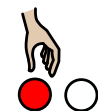

what

the

lunch

options

will

be

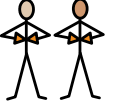

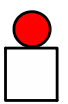

in

the

canteen.

        
We Did: Created an interactive booklet for children with SEND moving from

   
primary to secondary school. The booklet is on the

Local Offer

       
and was co-designed with young people in Year 6 and Year 7.
