Dear Sir/Madam,

**Representation towards “Basements: Publication Planning Policy”**

We write on behalf of a number of clients who regularly undertake basement development in the Borough, to submit representations on the “Basements: Publication Planning Policy” document, which incorporates proposed revisions to Core Strategy Policy CH7.

As such, please find enclosed our formal representation, along with supporting statements from Geotechnical Consulting Group and Turley Associates.

We also write to formally request to speak at the upcoming Examination in Public, in order to elaborate further on the issues discussed within this letter.

Yours sincerely,

Offices and associates throughout the Americas, Europe, Asia Pacific, Africa and the Middle East.
