

SUPPORT US

The Friends of Leighton House is a charitable organisation established over forty years ago to support and develop Leighton House and 18 Stafford Terrace.

The organisation was initiated to preserve and enhance all aspects of both houses, thus furthering the appreciation of Victorian art and social history and bringing them to a new generation through exciting events.

The Friends have been able to contribute towards many projects and appeals for both houses. Funds raised in the past have contributed towards the purchase of significant paintings. Most recently, Leighton's colour sketch for the painting *Cimabue's Celebrated Madonna* which launched his career, was added to the collections. The return of Leighton's cabinet, an important piece of his original furniture was another purchase we were able to facilitate. We also fund improvements to the building such as the reinstatement of the brick ziggurats surrounding the Arab Hall dome.

» BECOME A FRIEND

We can offer something more personal, exclusive and special than the enormous Friends organisations that support major museums. In addition to enjoying priority booking for museum events and previews, there are private tours of major exhibitions led by renowned curators and visits to places of historical and cultural interest not normally accessible to the public. Annual events include an Operatic Soirée, the Leighton Dinner (held in the historic studio), and the *Flaming June* Garden Party. We hope that you would like to join us, as we continue to support these two remarkable houses.

If you want to join us and see how your involvement can make a direct and lasting difference to Leighton House and 18 Stafford Terrace then please complete the membership form overleaf.
