Choosing the Royal Borough

Chelsea Old Town Hall is a beautiful and stylish building located on The Kings Road, Chelsea and houses the famous Chelsea Register Office and four other licensed rooms, including the Brydon Room and the Rossetti Room, and you are most welcome to visit us to see our rooms for yourselves.

The Royal Borough also has many other venues where you may hold your ceremony, from elegant hotels to a unique garden oasis overlooking the London skyline.

A full list of our Approved Venues is available in the pocket at the back of this brochure. Many of these venues will also be able to arrange your reception for you so that everything takes place under one roof. Whatever you decide, we hope that you will find this guide invaluable in helping to make your marriage a memorable and unique occasion.

Getting Started

You can get married at any Register Office or Approved Venue within England and Wales regardless of where you live. However, before you do there are certain legal requirements which you must undertake.

If you are both EU citizens then both of you must give formal Notice of your Intention to the Superintendent Registrar of the district in which you reside (or have resided for the preceding eight days).

If one or both of you are non-EU citizens then you must both give formal Notice of your Intention to a Superintendent Registrar at a Designated Register Office (Kensington and Chelsea is a Designated Register Office).

Your Notices will be displayed at the Register Office where you have given your Notice for a period of 15 clear days and only then can the authorities which allow your marriage to go ahead, be issued.

Your Notices will state where you wish to marry and are valid for 12 months from the date they are given. If you change your venue or your Notices expire you will both need to give fresh Notice. It is a legal requirement that you both give Notice in person. A relative or friend cannot do this on your behalf nor can you give Notice by telephone, fax or e-mail. If you are planning to give Notice here in the Royal Borough of Kensington and Chelsea then you will need to book an appointment and you will be asked to pay a non-refundable booking fee (currently £35.00 per person) when doing so.

The Paperwork

When you give your Notices you will each need to provide a valid passport as proof of your identity, age and nationality. We also require some official proof of your address, preferably a council tax document, driving licence or tenancy agreement.

If you are unable to produce any of the above documents you should contact the Register Office where you will be giving Notice to ascertain what other documents (if any) may be acceptable.

If you have previously been married/formed a civil partnership which has now been dissolved you will need to show a Decree Absolute of Divorce or Civil Partnership Dissolution showing the Court's official stamp – photocopied documents are not acceptable. If your documents are not in English then a translation will also be required.

If you have previously been married or formed a civil partnership and your partner has died you will need to produce certified copies of the death certificate and your previous marriage or civil partnership certificate.

If you have changed your name by deed poll, change of name deed or statutory declaration, the relevant documents will need to be shown.

If either of you is under 18 we will need proof that your parents or legal guardian consent to your marriage. If your parents are divorced we will also need to see the Court Order that gives custody to one or other parent. You will also need to produce a full copy of your birth certificate showing parent(s) details. By law you cannot marry if you are under the age of 16.

Booking The Date

To enable you to make all your arrangements in good time we offer a provisional booking system which allows you to book up to a year in advance. A provisional booking may be made with our office by telephone or in person. Full details of the required legal formalities and availability of the ceremony rooms will be explained to you when you make your booking and will be confirmed in writing on the Provisional Booking Form we send to you.

Bookings for Approved Venues within the Royal Borough are subject to a non-refundable booking fee – this is in addition to the attendance fees and is non-refundable if you cancel. However, you are able to move your date and time should it be necessary. There is no fee to change a date/time on the first occasion but any subsequent changes will carry an administration fee of £25.00 each. Further details are available in the pocket at the back of this brochure, on application to this office or on our website www.rbkc.gov.uk/communityandlocallife/registrarsservices.aspx.

The Ceremony Rooms at Chelsea Old Town Hall are usually open for viewing on Thursdays between 4.30 pm and 6.30 pm and members of staff can be available for informal discussion by prior arrangement.

*“Thank you very much
for a magical experience.”*

Venues For Your Ceremony

One of the first things to remember is that you are free to get married at any venue within England or Wales which holds a valid licence for Civil Marriage ceremonies. This means that if you wish to get married here in the Royal Borough then you are free to do so, no matter where you live.

There are over 20 venues within the Royal Borough of Kensington and Chelsea which have been licensed for civil ceremonies and all have been carefully selected and are subject to the high standards the Royal Borough demands. However the most famous of the venues for marriage within the Royal Borough of Kensington and Chelsea, and known worldwide, is the Chelsea Old Town Hall. The town hall is a graceful Victorian building which not only houses the renowned Chelsea Register Office but also four licensed rooms namely the Brydon Room, the Rossetti Room and the Main and Small Halls.

*“We wanted to
thank you all at
Chelsea for making
our dream come true
and making the day
effortlessly smooth.”*

Following recent changes in legislation it is now possible for us to conduct your civil ceremony after 6.00 pm and the Royal Borough of Kensington and Chelsea is pleased to be able to offer two evening ceremony times on Fridays and Saturdays at 6.00 pm and 7.30 pm. However, please be aware that there is an additional £100 Evening Fee payable for any ceremony booked from 6.00 pm onwards. Please note that these late ceremonies do not apply to the Rossetti Room.

Due to the popularity of the Royal Borough of Kensington and Chelsea as a marriage venue we have to ensure that all ceremonies with us are performed in a timely manner. This means that any ceremonies taking place within the Royal Borough are subject to our Lateness Policy – please see page nine.

*“Lovely, lovely people.
The perfect venue.”*

The Register Office

The first of the venues in the Chelsea Old Town Hall is the Register Office. Small and select, this room is set aside for you and your two witnesses only and ceremonies performed in this room are simple and elegant. The room is situated on the first floor and your ceremony will take a maximum of 30 minutes, including your pre-marital interview and any photographs you may wish to take.

www.cameophoto.co.uk

The Register Office is available at 9.00 am and 9.30 am from Monday to Thursday only and we regret that for operational reasons it is not possible to have a ceremony in this room on any other day or time.

*“Would recommend
to anyone to marry
here. Very intimate
and caring.”*

YBPHOTOGRAPHIC

“Our marriage was just perfect in every way.”

The Rossetti Room

The Rossetti Room, although larger than the Register Office room, is small enough for that intimate occasion. Situated on the first floor, and with seating for up to 14 people, it offers a quiet and relaxed setting for your ceremony.

The room is decorated with a floral arrangement, however you are welcome to provide a small arrangement of your own for the ceremonial desk. If you choose the Rossetti Room you can include a reading and music to enhance your special day.

John Rogers

A ceremony in the Rossetti Room allows you and your partner to be interviewed (a legal requirement) separately by the Registrar prior to the ceremony. This means that the first time you see each other will be when you stand side by side to take your vows thus maintaining an important bridal tradition.

“Andrew and I just wanted to say a huge thank you for making our wedding day the most special and fabulous start to our married life together.”

YBPHOTOGRAPHIC

The Brydon Room

The Brydon Room is a beautiful and stylish venue offering a unique setting for your special occasion. It is in this room that royalty and many famous couples have held their own ceremony. This spacious room is located on the first floor and is able to seat parties of up to 40 people. The room is decorated with a fresh floral arrangement, however you are welcome to provide a small arrangement of your own for the ceremonial desk.

The advantage in choosing the Brydon Room as your venue is that you may personalise your ceremony with readings and music, taking your time and ensuring that not only yourselves but also your guests can relax and enjoy the experience.

A ceremony in the Brydon Room allows you and your partner to be interviewed (a legal requirement) separately by the registrar prior to the ceremony. This means that the first time you see each other will be when you stand side by side to take your vows thus maintaining an important bridal tradition.

John Rogers

“We were blown away! It was an experience – everything and more than we dreamed of. Amazing venue, fantastic staff, would love to do it again just to relive the experience. Highly recommended.”

John Rogers

Approved Venues

The Royal Borough of Kensington and Chelsea is pleased to be able to offer a range of different venues for marriage ceremonies. Some of our venues can offer facilities for parties of over 300 people whilst others are more suitable for smaller, intimate occasions.

In order to be married at an Approved Venue you must first make a booking with the venue of your choice and then confirm with the Register Office that Registration Officers will be available on your chosen day and time. In theory we are able to attend marriages at Approved Venues on any day including Sundays and bank holidays (subject to staff availability) and, following recent changes in legislation, it is now possible for us to conduct your civil ceremony after 6.00 pm. However please be aware that there is an additional £100.00 Evening Fee payable for any ceremony booked from 6.00 pm onwards.

Lists of our current Approved Venues and attendance fees can be found in the pocket at the back of this brochure.

YBPHOTOGRAPHIC

Our Lateness Policy

We all understand that arrangements can sometimes go awry but it is important that your ceremony commences at the agreed time and in order for this to happen you and your guests are expected to be assembled a minimum of 15 minutes before the ceremony start time.

The Registrar in attendance will need to conduct a legal interview with both of you, in private, prior to the ceremony and will need to check that your witnesses etc. fully understand what is required of them.

The Registrar will have other ceremonies to attend after your own and these may be in different locations within the Royal Borough. If you are running late you must make contact with us (if your ceremony is being held at Chelsea Old Town Hall) or with the Approved Venue you have chosen as soon as possible to let us know your whereabouts and how late you may be.

In order to treat all our customers fairly we will not disrupt the timing of a later service because of delays to an earlier one.

Please note that we cannot guarantee that your ceremony will proceed if you and/or your guests are late. We will wait for 15 minutes after the agreed start time and after this we reserve the right to leave the premises. Given that you are expected to arrive 15 minutes prior to your ceremony this means that the maximum we will wait is 15 minutes after the agreed start time.

Please ensure that all those attending your ceremony are aware of our policy as if any of your guests are running late the ceremony may have to commence without them.

Your Special Day

Whilst your guests are being seated, the Officiating Registrars attending your ceremony will interview both of you privately to ensure that all the details to be recorded on the day of the ceremony are correct. At your interviews you will be asked to confirm all the details given at the time of your Notice of Intent.

Once all the preliminaries have been completed, the Registrars will arrange your entrance into the Designated Room for the commencement of the ceremony proper. The officiating Superintendent Registrar will begin the ceremony with a welcome and short introduction, reminding you both of the solemn and binding nature of what you are about to do. As part of your ceremony you will be asked to repeat one set of the official marriage vows.

Once you have exchanged your vows (and rings), the Registrar will then ask both you and your witnesses to sign the register. There will then be an opportunity for photographs to be taken by your photographer and guests.

Your Marriage Vows

You must choose from one of the following sets of vows. These are a legal requirement and may not be altered in any way.

CEREMONY A

Declaratory Words: *I do solemnly declare that I know not of any lawful impediment why I may not be joined in matrimony to*

Contracting Words: *I call upon these persons here present to witness that I do take thee to be my lawfully wedded wife/husband.*

CEREMONY B

Declaratory Words: *I declare that I know of no legal reason why I may not be joined in marriage to*

Contracting Words: *I take thee to be my wedded wife/husband.*

CEREMONY C

Declaratory Words: The officiating registrar will ask “Are you free lawfully to marry?” to which you must reply, “I am”.

Contracting Words: *I take you to be my wedded wife/husband.*

Exchanging Rings

If you and your partner are exchanging rings you may wish to use our recommended words (given below), however if you wish to include your own ring words, these will need to be approved in advance by the Superintendent Registrar.

“I give you this ring as a symbol of our marriage and as a token of my love.”

Personalising Your Ceremony

Once you have given your Notice of your Intention you will be sent a pack which will include additional information to help you plan your ceremony. We are happy to discuss any aspect of your ceremony with you so please feel free to contact us. Everyone is different and we want to provide a day that is special for you, however please remember that any music, readings or vows must not have any religious connotations. Your choices need to be approved by the Superintendent Registrar at least one week prior to the day of your ceremony. This will give you time to find an alternative should your original choice be declined.

“I was very impressed with how helpful, kind and cheerful all members of staff were at every stage in making arrangements.”

Points To Remember

- Book as far in advance as you can in order to secure the date and time you would like. We will accept bookings up to a year in advance.
- It is your responsibility to ensure that you have enough time to complete all of the relevant paperwork prior to the date of your ceremony.
- You will need to have a minimum of eight days' residency at an address within England or Wales before you will be able to give Notice of your Intention.
- You both have to attend to give Notice of your Intention even if you live in the same registration district and this must be done at least 16 days before the date of your marriage. However, you are able to give Notice up to one year in advance of your proposed date and it is recommended that you do this as soon as is practicable.
- If you will be giving Notice at Chelsea Register Office then you will need to make an appointment and you can book this by telephone or in person. We regret that it is not possible to book this by email.
- When you attend your Notice appointment it is vital that you bring the required legal documents as without them you will not be able to give Notice. If you are in any doubt telephone and discuss the matter with your local Superintendent Registrar.
- Remember that your readings and music must have no religious connotations and the Superintendent Registrar's ruling on the suitability of a reading or piece of music for a civil ceremony is final.
- It is your day so feel free to put forward any suggestions. We will endeavour to accommodate as many of your wishes as possible (subject to legal restrictions).
- This brochure is for general information only and is not a full statement of the law. Please contact this office for further information about getting married.

Renewal Of Vows

This is a special ceremony for couples who wish to renew their vows in a unique and personal way.

Often a Renewal of Vows Ceremony is associated with a special anniversary but the ceremony is just as appropriate for couples at any stage of their union. This ceremony is a wonderful opportunity for couples to reaffirm their love for one another and one in which their family and friends can share.

“Our immense thanks and appreciation to all the staff who made our Renewal of our Wedding Vows such a special day. Just the right balance of it being a respectful occasion but in a relaxed and welcoming spirit, all of our guests had such a wonderful day.”

Naming Ceremonies

A Naming Ceremony is an occasion for parents, family and friends to pledge their love and commitment to a child. It is an opportunity to celebrate the birth of a new baby or to welcome an adoptive child or step-child into their new family. Supporting adults, grandparents and older siblings are able to make their promises to the child and you can choose poems or readings to enhance the ceremony.

Naming Ceremonies can be arranged by anyone, from any cultural background and with any spiritual or religious beliefs. There is no age limit to a Naming Ceremony and more than one sibling may be named at the same time.

Further Information

If you are planning a Renewal of Vows or Naming Ceremony here in the Royal Borough you will need to purchase a booking pack which will enable you to create a script for your perfect day. There will also be additional fees to pay for the attendance of the celebrant. Lists of our current Approved Venues and fees may be found in the pocket at the back of this brochure. If you wish to book a ceremony then please contact this office, by e-mail, in person or by telephone on 020 7361 4100.

It is important to note that Renewal of Vows and Naming Ceremonies have no legal status and Registration Staff are not acting in their legal capacity when carrying out these ceremonies but as civil celebrants only. Any certificates issued after the ceremonies have taken place are purely commemorative.

*“Excellent service
very impressed.”*

Nationality Checking Service

If you are planning to apply for British Citizenship then the Royal Borough of Kensington and Chelsea offers a Nationality Checking Service (NCS) to help ensure your citizenship application is properly completed and submitted with all the relevant supporting documents. This service enables applicants to have their forms checked by an adviser before being submitted to the Home Office for approval.

The aim of the service is to minimise delays in processing applications by ensuring that all necessary information and the correct documentation is sent to the Home Office. Our fully trained and qualified advisers will certify your passport and other valuable documents so they remain in your safekeeping and send your application and the correct fee to the Home Office by special delivery post.

The Nationality Checking Service operates on an appointment only basis and if you would like to make an appointment then please telephone the Nationality Checking Officers on 020 7745 6370 from 9.00 am to 4.00 pm, Monday to Friday or send an email to ncs@rbkc.gov.uk.

professional, cordial,
warm and efficient.
It is a pleasure to deal
with your NCS staff.
Thank you.”*

Citizenship Ceremonies

*“A terrific way to
commence life as a
British Citizen.”*

Any person who has applied for and been granted British Citizenship will be required to attend a citizenship ceremony where they will make their vows to Her Majesty the Queen and the United Kingdom. At the completion of the ceremony the new citizen will be presented with their ‘Certificate of Naturalisation’ and they will then be free to apply for their British passport.

If you are applying for British Citizenship and would like to have your ceremony in the Royal Borough of Kensington and Chelsea then simply write the name of the *Royal Borough of Kensington and Chelsea* in the appropriate place on your application for naturalisation form. Once your application is approved, your Certificate of Naturalisation will be sent to this office and you may proceed with booking your ceremony.

There are two types of ceremony that you may choose from. A group ceremony which is held every fortnight at the Kensington Town Hall, W8 and for which there is no charge, or a private ceremony which is held at the Register Office at the Chelsea Old Town Hall, SW3. Private Citizenship ceremonies can usually be arranged at very short notice, often within a couple of days, for an additional fee (currently £180.00 per person).

If you wish to book a place at one of our citizenship ceremonies you should contact the Citizen Coordinator at the Register Office by telephone on 020 7361 4100 or by email at chelsea.registeroffice@rbkc.gov.uk.
