## News from Colville Neighbourhood Policing Team

Dear Colville Residents,  
Welcome to the latest edition of the Colville newsletter.

In the past month Colville Neighbourhood Policing Team has gained two new members and we welcome PC Gary Watkinson and PC Peter Wlodek to the team. Both have settled in very well and contributed to the team with a number of arrests relating to anti social behaviour, robbery and public order.

Colville's Dedicated Ward Officer PCSO Lauren Dawkins together with PCSO Aaron Salfarlie attended an enjoyable day at the Tabernacle as part of an Open Day run by Catalyst Housing. They spoke with local residents and offered crime prevention advice. It proved a successful and pleasing day for all involved.

On 19th November we are launching an online neighbourhood watch system called OWL. This has proved to be successful for police forces outside London. If you would

like to be part of your local NHW you can sign up by going to [www.owl.co.uk](http://www.owl.co.uk) or email [sally.pymont@met.pnn.police.uk](mailto:sally.pymont@met.pnn.police.uk) for more information.

**Have your say:** do pop by and speak to your local ward officers at our drop-in surgery being held at **Kitchen & Pantry, Elgin Crescent, on Tuesday 2nd December 4pm-5pm**

As the evenings get darker make sure you keep yourself safe when out and about. Walk home with someone else, or use a taxi or pre booked mini cab to get you home safely. Ensure that you know where you are going so that you do not need your phone out to guide you. Keep a torch in the car or your bag to help you see your keys when locking the car or opening your front door. Engage all the locks on your doors and windows, get a letterbox guard and keep keys away from the doors and out of sight.

**If it is an emergency call 999 but if it is non urgent dial 101**
