

TABLES AND CHAIRS LICENCE CONDITIONS

1. The licence holder shall not in any way interfere with the surface of the public highway.
2. The licence holder shall indemnify the Council from and against any claim in respect of any injury, damage or loss arising directly or indirectly out of the grant of this consent and the use by the public of the amenities.
3. If the Council serves a Notice on the licence holder requiring him/her to take such steps as are necessary to remedy any breach of the terms of this consent, and the licence holder fails to comply with the notice the Council may itself take the steps required by the Notice and recover from the licence holder any expenses incurred.
4. This consent may be withdrawn by the Council at any time upon the Council giving to the licence holder seven days notice in writing. Upon withdrawal of the consent the licence holder shall remove the amenities from the public highway and, in default, the Council may remove the amenities and recover from the licence holder its costs in so doing.
5. Any notice to be given to the licence holder shall be deemed to be sufficiently served if addressed to the licence holder and sent by post or left at the premises.
6. This consent is without prejudice to, and shall not be construed as derogating from, any of the rights, powers and duties of the Council pursuant to any of its statutory functions or in any other capacity and, in particular shall not restrict the Council from exercising any of its powers or duties under the Highways Act 1980 (as amended).
7. The licence holder shall not place any item on the public highway or attempt to exercise any permission unless he/she has obtained both a valid licence to place the said objects on the public highway and has a current planning permission for the land use, if necessary.
8. The licence holder must ensure that the licence is displayed at all times within the window of the property, so that it is clearly visible from the public highway.
9. The licence holder will ensure that the pavement area around the premises occupied by the tables and chairs used in accordance with this consent shall be inspected, swept and cleaned regularly so as to be free of litter at all times whilst the premises are open for business to members of the public. The licence holder will provide litter bins within the area designated under this consent of a number and type as may be specified by the Council, and shall remove all such bins from the designated area for storage within the premises at the close of business. A windproof receptacle for cigarette butts and ash will be provided on each table.
10. The licence holder shall ensure that any spillages are promptly removed from the highway and restore the affected area of highway to a clean and safe condition. 11. The licence holder shall remove the amenities from the public highway immediately if requested to do so by the Council, its agents, contractors or licensees or by a Police Officer if the area occupied by the amenities is required to facilitate safe pedestrian passage.
