## **St. Quintin CWD Party contract**

**Dear Parents/carers,**

**St. Quintin Centre for Disabled Children and Young People would like you to sign a contract for any parties that you book with us.**

**We need you to pay well in advance a sum of £40 for the party and a deposit of £100 which is redeemable on condition that no damage has been done to our property or its contents. If damage occurs then a cost will be deducted from your deposit to cover the damages.**

**It is the parents/carers responsibility to make sure that their guests treat our premises with respect and to clear away and clean up after the party.**

**The staffs are only here for the supervision of the building, so you are expected to supervise the children/guests at all times. You will need to negotiate with the staff on duty as to what toys/equipment can be used.**

**The party time is from 3.00pm until 6.00pm on Sundays. Any parents/carers going over the fixed time will have to pay an additional charge.**
