Dear Sirs

PLANNING APPLICATION - INSTALLATION OF CCTV

With reference to the above, please find attached my application and fee.

£ 95.00
C/N 163828

The following is to be regarded as a supporting paper for the application:

The application is made for approval to install CCTV cameras to cover our estate in Cale Street, SW3. There has been an increased problem youths entering the estate and causing nuisance. Adjoining estates have already installed CCTV cameras and this has significantly reduced the problems being experienced within their own estates.

With support from the Police a successful bid for funding was made by the Trust to The Royal Borough from it's Housing Regeneration Programme 2001/02. This funding will enable the Trust to install CCTV to cover all areas of the estate. The active Tenants Association also supports the installation and this application.

Details of the cameras is be use are attached. They are not the largetype associated with High Street CCTV systems. There will be 13 cameras covering the estate, 9 dome type and 4 static.

If you require any further information, please do not hesitate to contact me.

Yours faithfully

Ian Brown
