ATTACHED OVERLEAF**

CONDITIONS AND REASONS FOR THEIR IMPOSITION

1. **The development hereby permitted shall be begun before the expiration of five years from the date of this permission. (C001)**
Reason As required by Section 91 of the Town and Country Planning Act 1990, to avoid the accumulation of unexercised Planning Permissions. (R001)
2. **The development hereby permitted shall be carried out exactly and only in accordance with the drawings and other particulars forming part of the permission and there shall be no variation therefrom without the prior written approval of the Local Planning Authority. (C068)**
Reason - The details are considered to be material to the acceptability of the proposals, and for safeguarding the amenity of the area. (R068)
3. **All work and work of making good shall be finished to match the existing original work in respect of material, colour, texture, and profile and, in the case of brickwork, facebond and pointing. (C071)**
Reason - To preserve and enhance the character and appearance of the Conservation Area. (R072)
4. **The door or pair of doors hereby permitted shall be of painted timber and glass construction and be so maintained.**
Reason - To preserve and enhance the character and appearance of the Conservation Area. (R072)

INFORMATIVE(S)

1. Planning Permission is hereby granted for the development as shown on the approved drawings and subject to the Conditions. Any alteration to the approved scheme, resulting from the requirements of the Building Regulations or for any other reason, may require further permission. You are advised to consult the Directorate of Planning Services before commencing work. (I09)
2. Your attention is drawn to the Conditions of this Permission and to the Council's powers of enforcement, including the power to serve a Breach of Condition Notice under the Town and Country Planning Act 1990, as amended. (I10)
3. This property is within a Conservation Area. Building works should, therefore, be completed with great care. External facing work and detailed treatment should be finished in a manner sympathetic to the existing building. If there is any doubt about the way in which work should be carried out, you should consult the Directorate of Planning Services. (I11)

4. Separate approval for the works hereby granted planning permission may be required by the Building Act 1984 and the Building Regulations 1991, and the grant of planning permission does not imply that such approval will be given. The Director of Building Control, Town Hall, Hornton Street, W8 7NX should be consulted before works commence. (I21)

5. Demolition and building works are subject to the Environmental Protection Act, 1990, and appropriate controls over methods, screening, and protection of site, noise, or hours of work, may be imposed by the Council. You are advised to consult the Director of Environmental Health, Council Offices, 37 Pembroke Road, W8 6PW at an early stage. (I30)

Yours faithfully,

Michael J. French
