Dear Sir / Madam,

Town and Country Planning Act 1990

Re : Revisions to Planning Permission for 145/149 Brompton Road, London SW3

I refer to your letter dated 23 August 1999 regarding the revised elevation for the Gap store at the above address. This revised elevation (A-5.1, Rev:E) is to replace the elevation approved by RBKC (A-5.1, Rev:A) as delegated authority on 21 May 1999. The application reference number is DPS/DCSE/PP/99/00661.

From the revision it is noted that the widths of the three glazed sections along the Brompton Road elevation have been reduced and the suspended ceiling line lowered so that the existing street columns can be maintained. The revised proportions have met the approval of the Council's Conservation & Design Officer, and are considered to be a non-material alteration to the original application.

In light of the above, I wish to inform you that further planning consent for revised elevation (A-5.1, Rev:E) is not required.

Yours faithfully,

MJ French
Executive Director, Planning and Conservation
