INFORMATIVE(S)

1. You are reminded that no work should commence on implementing this Listed Building Consent until all matters, samples, and details reserved by Condition have been submitted and approved by this Authority. It is an offence to carry out work to a Listed Building unless all such Conditions have been complied with. This Council will use its Enforcement powers, including use of Breach of Condition Notices or Prosecution, to ensure compliance with Conditions and prevent harm to the special historic character and historic interest of Listed Buildings. You are advised that there is currently a maximum fine of £20,000 if the offence is dealt with summarily, but if the offence is dealt with by indictment the fine is unlimited. (I10A)

2. This property is within a Conservation Area. Building works should, therefore, be completed with great care. External facing work and detailed treatment should be finished in a manner sympathetic to the existing building. If there is any doubt about the way in which work should be carried out, you should consult the Directorate of Planning Services. (I11)

3. Separate approval for the works hereby granted planning permission may be required by the Building Act 1984 and the Building Regulations 1991, and the grant of planning permission does not imply that such approval will be given. The Director of Building Control, Town Hall, Hornton Street, W8 7NX should be consulted before works commence. (I21)

4. Demolition and building works are subject to the Environmental Protection Act, 1990, and appropriate controls over methods, screening, and protection of site, noise, or hours of work, may be imposed by the Council. You are advised to consult the Director of Environmental Health, Council Offices, 37 Pembroke Road, W8 6PW at an early stage. (I30)
