- 6. The roof of the building hereby permitted shall not be used at any time as a terrace without the prior written approval of the Local Planning Authority. (C079)**
Reason - To protect the privacy and amenity of neighbouring property. (R079)
- 7. No additional plumbing or pipes other than rainwater pipes shall be fixed on the external faces of the building without the prior written approval of the Local Planning Authority. (C085)**
Reason - To preserve the character and appearance of the building, and the area in which it is situated. (R086)

INFORMATIVE(S)

1. This permission does not permit the use of the premises to provide temporary sleeping accommodation, including holiday lets, short lets, or timeshare, or for any purpose specified in Section 25 of the Greater London (General Powers) Act 1973, as amended by the Greater London (General Powers) Act 1983, or as timeshare accommodation as specified in Section 5 of the Greater London (General Powers) Act 1984. Use for such purposes would constitute a change of use requiring planning permission. It is the Council's policy to resist such changes of use, and you are advised that planning permission for such a change of use is unlikely to be granted. (I02)
2. Separate approval for the works hereby granted planning permission may be required by the Building Act 1984 and the Building Regulations 1991, and the grant of planning permission does not imply that such approval will be given. The Director of Building Control, Town Hall, Hornton Street, W8 7NX should be consulted before works commence. (I21)
3. Planning Permission is hereby granted for the development as shown on the approved drawings and subject to the Conditions. Any alteration to the approved scheme, resulting from the requirements of the Building Regulations or for any other reason, may require further permission. You are advised to consult the Directorate of Planning Services before commencing work. (I09)
4. Any proposals for external fire escapes, exit housings, roof walkways, or safety railings arising from the requirements of the Building Regulations may require further planning permission, and approval under those Regulations does not imply that planning permission will be granted. The Directorate of Planning Services will be pleased to advise on the implications of any changes. (I22)
5. Your attention is drawn to the Conditions of this Permission and to the Council's powers of enforcement, including the power to serve a Breach of Condition Notice under the Town and Country Planning Act 1990, as amended. (I10)
6. This property is within a Conservation Area. Building works should, therefore, be completed with great care. External facing work and detailed treatment should be finished in a manner sympathetic to the existing building. If there is any doubt about the way in which work should be carried out, you should consult the Directorate of Planning Services. (I11)

112

7. You are advised to consult the Director of Waste Management and Leisure, Council Offices, Pembroke Road, W8 6PW on the provision of facilities for the storage and disposal of refuse. There is a code of practice available and advice can also be given on certain aspects of industrial and commercial waste as well as household waste. The Council operates a trade refuse service on a rechargeable basis. (I29)

8. Demolition and building works are subject to the Environmental Protection Act, 1990, and appropriate controls over methods, screening, and protection of site, noise, or hours of work, may be imposed by the Council. You are advised to consult the Director of Environmental Health, Council Offices, 37 Pembroke Road, W8 6PW at an early stage. (I30)

Yours faithfully,

Michael J. French
