ATTACHED OVERLEAF**

CONDITION(S) AND REASON(S) FOR THEIR IMPOSITION

1. **The works hereby permitted shall be begun before the expiration of five years from the date of this consent. (C201)**
Reason - As required by Section 18 of the Planning (Listed Buildings and Conservation Areas Act) 1990, to avoid the accumulation of consents. (R201)

2. **The works hereby permitted shall be carried out in their entirety exactly and only in accordance with the drawings, and other particulars, forming part of the Consent, and there shall be no variation therefrom without the prior written approval of the Local Planning Authority. (C205)**
Reason - In order to safeguard the special architectural or historic interest of the building. (R205)

3. **All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to colour, material, texture, and profile. (C206)**
Reason - In order to safeguard the special architectural or historic interest of the building. (R206)

4. **Detailed drawings or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the Local Planning Authority before the relevant part of the work is begun:**

(a)Details of the roof finish to the proposed extension

Reason - In order to safeguard the special architectural or historic interest of the building. (R206)

5. **The new french windows and sidelights shall be constructed in timber, single glazed and finished in white with no trickle vents and shall be so maintained.**
Reason: To preserve the special historic character of the listed building.

INFORMATIVE(S)

1. You are reminded that no work should commence on implementing this Listed Building Consent until all matters, samples, and details reserved by Condition have been submitted and approved by this Authority. It is an offence to carry out work to a Listed Building unless all such Conditions have been complied with. This Council will use its Enforcement powers, including use of Breach of Condition Notices or Prosecution, to ensure compliance with Conditions and prevent harm to the special historic character and historic interest of Listed Buildings. You are advised that there is currently a maximum fine of £20,000 if the offence is dealt with summarily, but if the offence is dealt with by indictment the fine is unlimited. (I10A)

2. This property is within a Conservation Area Building works should, therefore, be completed with great care. External facing work and detailed treatment should be finished in a manner sympathetic to the existing building. If there is any doubt about the way in which work should be carried out, you should consult the Directorate of Planning Services. (I11)

3. Separate approval for the works forming the subject of this application may be required under the Building Act 1984 and/or the Building Regulations 1991, and this decision does not imply that such a consent will be given. The Director of Building Control, Town Hall, Hornton Street W8 7NX should be consulted before works commence. (I21A)

4. Demolition and building works are subject to the Environmental Protection Act, 1990, and appropriate controls over methods, screening, and protection of site, noise, or hours of work, may be imposed by the Council. You are advised to consult the Director of Environmental Health, Council Offices, 37 Pembroke Road, W8 6PW at an early stage. (I30)

5. You are advised that a number of relevant policies of the Unitary Development Plan were used in the determination of this case, in particular, Policies CD25, CD41, CD42, CD44, CD52, CD53 and CD58. (I51)

Yours faithfully,

Michael J. French
