Re: **Withdrawal of Application PP/00/2865 – Barlby Road/Admiral
Mews and Junction with Ladbroke Grove W10**

This application has now been inactive since December 2000, and there have been no contact/enquiries/complaints relating to the case since that date.

Given these factors, it is probably best to treat this application as withdrawn.

This application shall now be treated as **WITHDRAWN**.
