24th November 2000

Planning Department RBK&C **Town Hall Hornton Street** Kensington **London W8**

Dear Sir / Madam

8 PENZANCE PLACE, LONDON W11.

Following your recent granting of detailed planning permission the roof access structure and raising of the rear walls to both 6 and 8 Penzance Place, please now see enclosed our detailed planning application to . extend the access structure full width in order to create a room alongside the existing roof terrace.

In dealing with this application, I would like you to consider the following points.

- The roof terrace and access structure are existing and have been granted planning permission. a)
- It is established from the recent planning permission that with the raising of the rear elevation b) brickwork, the roof access structure is invisible and therefore acceptable.
- The proposed new structure, by using the same ridge line, will equally not be visible from any part of the street.

I trust the application is complete and I look forward to hearing from you in due course.

Should there be any queries, please do not hesitate to contact BB Partnership.

Yours sincerely,

Charles R Biss

For and on behalf of **BB** Partnership
