Planning Information Office

Dear Sir/Madam,

TOWN AND COUNTRY PLANNING ACT 1990

Proposed development at: Cambourne Mews, St. Mark's Road, London, W11

Brief details of the proposed development are set out below. Members of the public may inspect copies of the application, the plans and any other documents submitted with it. The Council's Planning Services Committee, in considering the proposal, welcomes comments either for or against the scheme. Anyone who wishes to make representations about the application should write to the Council at the above address within 21 days of the date of this letter. Unfortunately, the Council does not have the resources to advise objectors of the Committee date, and you should telephone for further information.

Proposal for which permission is sought

**Replacement of windows and patio doors with new powder coated aluminium double glazed units. Installation of controlled pedestrian and vehicular access gates.
Replacement of railings to boundaries. (Council's Own Development)**

Applicant Royal Borough of Kensington and Chelsea, The Town Hall, Hornton Street, London, W8 7NX

Yours faithfully,

M. J. FRENCH

Executive Director, Planning and Conservation

WHAT MATTERS CAN BE TAKEN INTO ACCOUNT

When dealing with a planning application the Council has to consider the policies of the Borough Plan, known as the Unitary Development Plan, and any other material considerations. The most common of these include (not necessarily in order of importance):

- The scale and appearance of the proposal and impact upon the surrounding area or adjoining neighbours;
- Effect upon the character or appearance of a Conservation Area;
- Effect upon the special historic interest of a Listed Building, or its setting;
- Effect upon traffic, access, and parking;
- Amenity issues such as loss of Sunlight or daylight, Overlooking and loss of privacy, Noise and disturbance resulting from a use, Hours of operation.

WHAT MATTERS CANNOT BE TAKEN INTO ACCOUNT

Often people may wish to object on grounds that, unfortunately, cannot be taken into account because they are not controlled by Planning Legislation. These include (again not in any order of importance):

- Loss of property value;
- Private issues between neighbours such as land covenants, party walls, land and boundary disputes, damage to property;
- Problems associated with construction such as noise, dust, or vehicles (If you experience these problems Environmental Services have some control and you should contact them direct);
- Smells (Also covered by Environmental Services);
- Competition between firms;
- Structural and fire precaution concerns; (These are Building Control matters).

WHAT HAPPENS TO YOUR LETTER

Planning applications where objections have been received are presented to the Planning Services Committee which is made up of elected Ward Councillors. Planning Officers write a report to the Committee with a recommendation as to whether the application should be granted or refused. Letters received are summarised in the report, and copies can be seen by Councillors and members of the public including the applicant. The Councillors make the decisions and are not bound by the Planning Officer's recommendation. All meetings of the Committee are open to the public.

If you would like further information, about the application itself or when it is likely to be decided, please contact the Planning Department on the telephone number overleaf.

WHERE TO SEE THE PLANS

Details of the application can be seen at the Planning Information Office, 3rd floor, Town Hall, Hornton Street W.8. It is open from 9am to 4.45pm Mondays to Thursdays (4pm Fridays). A Planning Officer will always be there to assist you.

In addition, copies of applications in the Chelsea Area (SW1, SW3, SW10) can be seen at The Reference Library, Chelsea Old Town Hall, Kings Road SW3 (020 7361 4158), for the Central Area (W8, W14, SW5, SW7) can be viewed in the Central Library, Town Hall, Hornton Street, W.8. and applications for districts W10, W11 and W2 in the North of the Borough can be seen at The Information Centre, North Kensington Library, 108 Ladbroke Grove, London W11 (under the Westway near Ladbroke Grove Station 020 7727-6583). Please telephone to check the opening times of these offices.

If you are a registered disabled person, it may be possible for an Officer to come to your home with the plans. Please contact the Planning Department and ask to speak to the Case Officer for the application.

Supplementary information:

Comments:

- The revised location of the proposed vehicular access gates is an improvement on the position of the existing gates, as they would be set back from the public highway by a sufficient distance to allow cars to stop without temporarily obstructing the footway.
- The proposed new vehicular and pedestrian gates will be electronically operated.
- Cambourne Mews is not maintained at public expense.

Access Comments:

The only comment that I have about this proposal is that existing pedestrian access to the estate via St Marks Road is stepped. These are to be moved as part of the planned improvements. It is a shame that the pedestrian entrance was not modified to incorporate a ramp instead.

Since the proposals do not worsen the existing conditions, no objection is raised.

If the comments above are agreed I have no wish to be kept abreast of this application.

I wish to be kept abreast of any recommendations made on this application prior to submission of the report.

Dear Sir or Madam

We have no concerns about the proposal for development at
Cambourne Mews St Mark's Road W11.

We would just like you to be aware of the fact that there is a
primary school next to the development and for contractors to be
aware of this when any development takes place.

Yours sincerely
