Dear Sir,

**Town and Country Planning Act 1990**  
**Transco Gas Holder Station**  
**Kensal Green House, Canal Way, W.10**

Thank you for your letter of 26<sup>th</sup> February and enclosed report concerning the application in respect of the above premises.

Further to your recent telephone conversation with my assistant, Mrs. Wilden, the Directorate of Environmental Services has advised me that the site specific information provided for Tedworth Square is exactly what is needed, but must be provided/calculated for the above site so that your application can be assessed.

The application has now been in abeyance for a considerable period since I first requested the necessary information by letter dated 8<sup>th</sup> January. Accordingly, as agreed, I shall now treat your application as withdrawn.

As you know, reapplication accompanied by all the information required, will not attract a further application fee if made within 1 year of withdrawal.

Yours faithfully,

\$

D. Taylor,  
Area Planning Officer,  
For the Executive Director, Planning and Conservation
