Dear Sirs,

attn: MR. JOHN SHERMAN

152 WARWICK ROAD LONDON W14 : WINDOW TO 154 WARWICK RD.

I write on behalf of our client, the owner of 154 Warwick Rd. London W14 to express their strong objection to the proposed blocking up of an existing window within the Party Wall of the above two properties should the planning application currently submitted to your council be approved.

We understand that the current Planning Application for the rear extension of 152 Warwick Rd. has not been determined and that only a application for a basement extension has been approved.

Works are proceeding to the basement works and my clients are very concerned that they will loose the light provided by the window to his property as the contractors have indicated they intend to construct the ground floor extension as soon as possible.

I understand that your Planning officer and Enforcement officer will be visiting the site tomorrow and I would be grateful for your written comments on the current position of the above application bearing in mind my clients serious objection to the proposal.

Yours faithfully,

L. GILL-ROSS
