Dear Councillor Buxton,

Further to your e-mail of 9 April, I would inform you that the application for advertising on the flank wall of 2 Nevern Place was refused earlier this year. An appeal has been lodged against this refusal and will be dealt with by written representations.

Dear Mr French,

Thank you for your very speedy response.

There was just one other item. I noted that a current application for an advertising site on the Flanking 2 Nevern Place, SW5 was not mentioned in the current applications on line (now gone to appeal). Is this just an oversight or is the information advertising matters (like trees) to be put online in the near future.

Many thanks.

Best wishes

Dear Sirs

App/K6500/H/02/1085899

Flank wall, 2 Nevern Place, SW5 9PR

I am writing as chair of the Nevern Square Conservation Area Residents<sup>1</sup> Association and we consider that an advertisement hoarding would constitute injury to the visual amenity of the area. It is also contrary to the Council's as set to the UDP.

We feel that it would act as a precedent, within a Conservation Area, and act as encouragement to others to apply and obtain planning consent.

Residents<sup>1</sup> have complained in the past about advertising hoardings, which they feel distracts drivers. The site is just after one turning and a pedestrian crossing, which in turn is just off the West Cromwell Road (one of the busiest junctions in London).

I would urge you turn this appeal down as we feel that it is an unsuitable site on visual and safely grounds.

Yours sincerely

Linda Wade

I hope that you can read this.
