Dear Sir/Madam,

Your reference DPS/DCSW/CA/02/00067/KL

With regards to the above application to erect an illuminated sign, I object on behalf of the Earls Court Village Association on the grounds that the Earls Court Road already has too much advertising. I understand that where possible the historic nature of our architecture is to be maintained and illuminated adverts would therefore seem to be most inappropriate. They in no way enhance the area and are simply to generate income for non residents.

Yours faithfully

Gay Wilson Smith
