Dear Mrs Week

Proposed development at Crawley Lodge,  
132 B Fulham Road, SW3 6HX

What worries us is the proposed materials of the extension. The glazed roof of the kitchen-extension at the rear allows conversations at night to be plainly audible in our house. This is very disturbing. To have the same thing

happen at the forest, when the source  
of traffic in the Fulham Road here  
died down, would be as much of  
a disturbance.

If the extension could be constructed  
of a more sound-proof material, there  
would be no objection on our part.

Secondly, please note that there is no  
party wall between Cranley Lodge  
and our property.

Yours sincerely

A. Kroll
