Dear Sirs,

Re: Proposed ground floor rear extension at Mohsen Restaurant, 152 Warwick Road W14.

I write with reference to my client, Mr Mireshghi's proposal to erect a small ground floor extension to the rear of the property which will be 13.9 sq m in area. It is proposed to add another 19 covers to the existing restaurant which has a very small area for a restaurant use. The proposal is to add a ground floor storey on top the rear basement extension which was granted planning permission in September 1998 (T97/2705). The proposed extension will have a width of 4.8 m, a depth of 2.5 m and a height of 3.4 m to the top of the small parapet wall. The proposed extension will not project more than the neighbouring basement and ground floor extension of public house at No.150 Warwick Road. There will be no access on the flat roof nor is it proposed to attach and form of balustrading to the roof.

The fenestration of the proposed extension will match the exiting window pattern at the rear of the property with a timber sash window and timber exit door to the garden area. It is considered that there will be negligible problems with daylighting, noise and privacy to the adjacent neighbouring buildings. Overall this modest extension will preserve and enhance the character of the Edwardes Square/ Scarsdale & Abingdon Conservation Area. I attach a cheque in the sum of £95.00 which covers the fee you require.

Yours faithfully,

N. Hefferman
