Dear Sirs,

Re: Town and Country Planning Act 1990
Lots Road Power Station and Chelsea Creek, SW10

With reference to the above site, I would inform you that the Royal Borough of Kensington and Chelsea **Raises Objection** to the proposed development on "Site B" (Land adjacent to South Side of Chelsea Creek, Chelsea Harbour Drive, Chelsea Harbour, London) within the London Borough of Hammersmith and Fulham, for the following reason:-

The proposed development would include a new high building which would significantly exceed the height of neighbouring buildings and harm the skyline, important views and surrounding conservation areas.

Yours faithfully,

M.J. FRENCH,
EXECUTIVE DIRECTOR,
