Dear Sirs

Re: Ellesmere Elderly Persons Home and Residential Development, 367 Fulham Rd SW10

With reference to the Ellesmere Planning application, (PP/04/00375/MAJD/6010), we are writing in connection with two of the planning conditions still to be formally discharged – namely conditions 6 & 7.

Your office has previously acknowledged these 2 clauses, (letter dated 5 June 2006) though no formal response has been received from the Council's Directorate of Environmental Health. Please can you review these, and get back to us, or advise a suitable way forward.

Excluding clauses 6 & 7, and notwithstanding the numerous minor amendments noted over the past 2 years (specifically 2(a)) can the council please confirm that all the conditions listed in the Planning Application have now been discharged.

We attach a copy of our progress MATRIX, which lists the conditions and their application history in some detail.

If you have any queries, do not hesitate to contact us.

Yours faithfully
