District Plan Observations
CONSERVATION AND DESIGN

Address 48 RAWLINGS ST	Appl. No. 00/0946/CT	L.B.	C.A.	N C S
Description amenities	Code			

I would not object to the new configuration of the railings.
 I am however concerned at the glass pattern basement level - this appears un-comely. However, this elevation will not read from any vantage point - either from upper storey windows or garden level. In this respect the design will not harm the character or appearance of the conservation area

No objection
