Further to your recent telephone conversation with Debrah Silver, I would confirm that the use of the flank wall for the display of an advertising hoarding benefits from control of advertisement consent under reference CA/03/1335 which was granted on appeal.

If you have any further queries, please contact me.

Dear Sirs

Edward Symmons act for the Joint Administrators of Crownweb Estates Limited, the owners of 503 Kings Road.

I refer to our conversation a few moments ago with Deborah. Our enquiry relates to the planning status of an advertising hoarding on the flank wall of 503 Kings Road.

We understand that, according to your records, planning permission exists for such a hoarding.

We would be grateful to receive confirmation of the present permission together with the relevant planning application number and date of decision.

Your prompt response would be appreciated.

Many thanks

Regards

**Edward Jeffery**
