Re. S4, Ourslow gas (Flat A)

The abortive site meetings (both cancelled by them) were arranged for 3/12/96 at 11.0 a.m. and 10/12/96 at 11.30 a.m.

We have done nothing since.

I need to go in to check details.

There are conditions 3 a) b) c) d) which have not been complied with.

Also we note the double glazing, etc.

Can we please insist on access in very near future. With the architect Mr. Goldsborough if possible.

Thanks.

Gullen

Dear Mr Goldsbrough,

**Town and Country Planning Act, 1990
Planning (Listed Building and Conservation Areas) Act 1990****Re: Flat A, 84 Onslow Gardens, Kensington, SW7**

I write with reference to the planning permission and listed building consent granted on 13 February 1996 for alterations to the above mentioned premises.

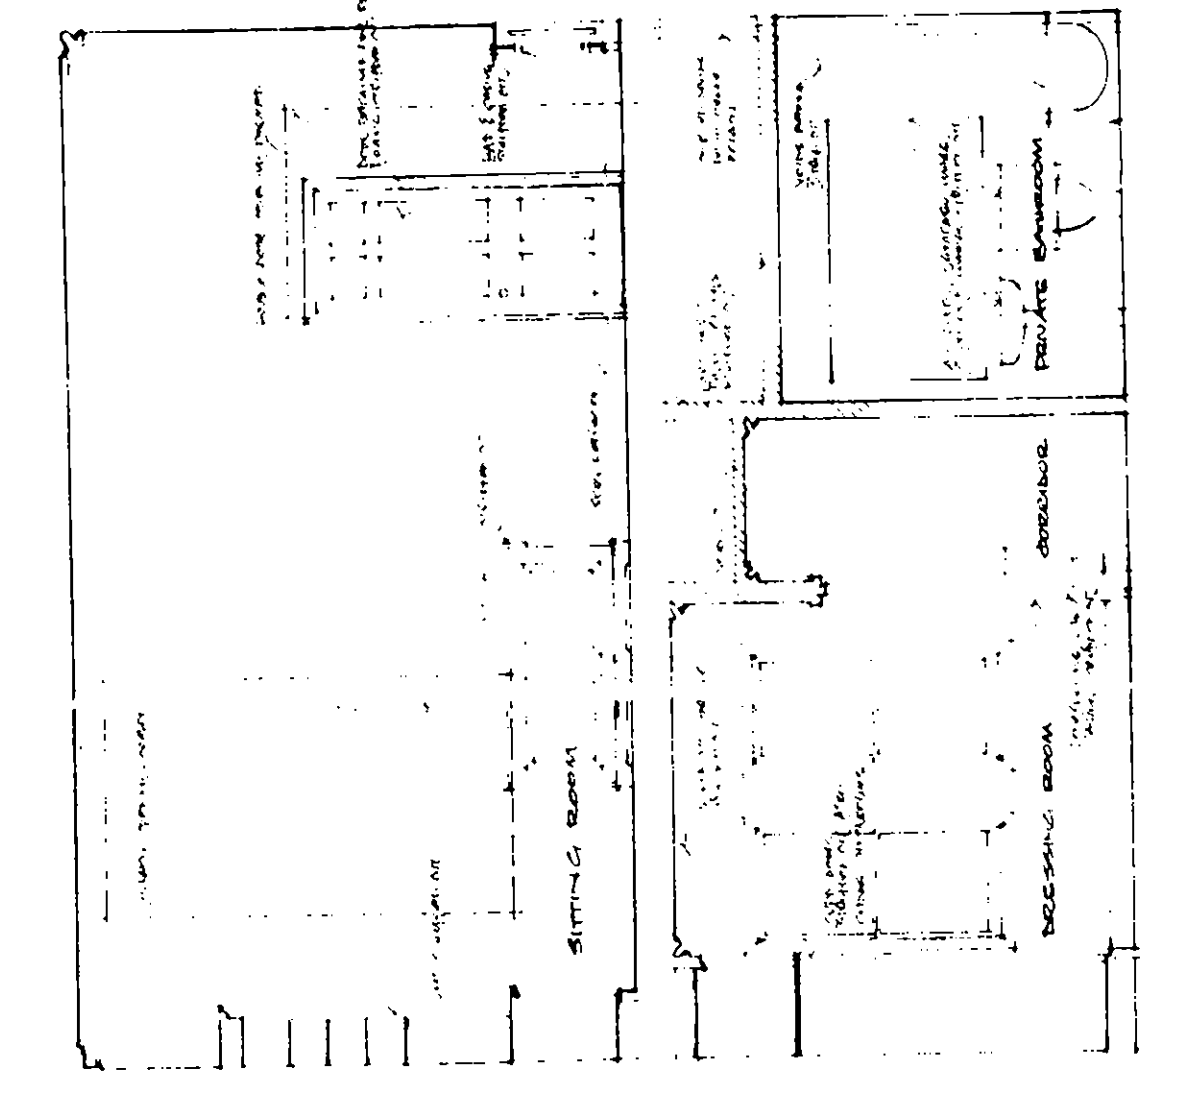

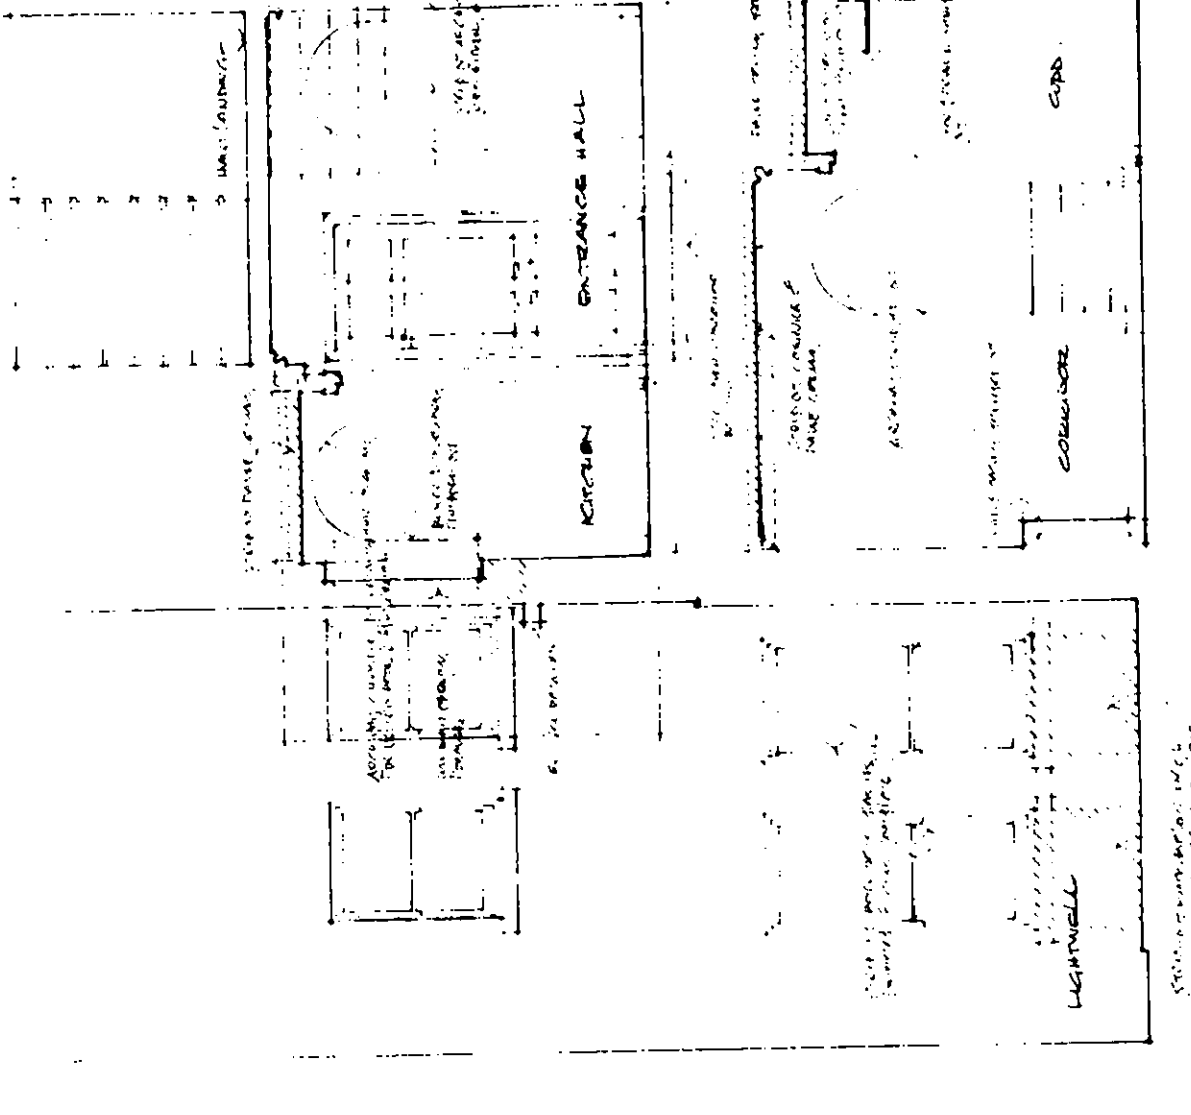

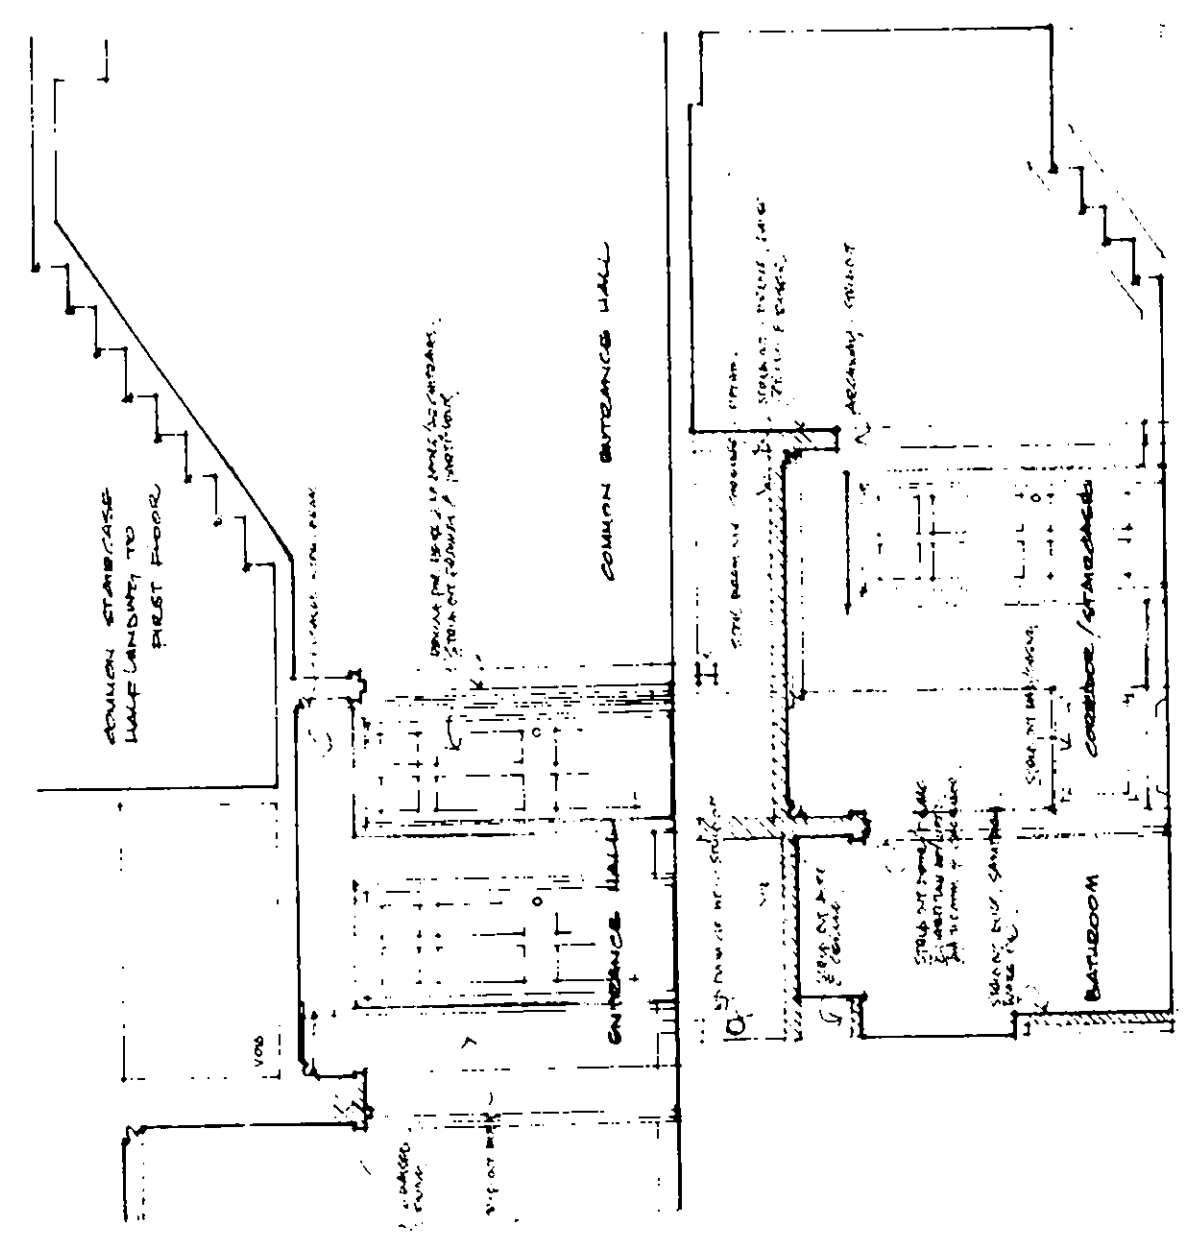

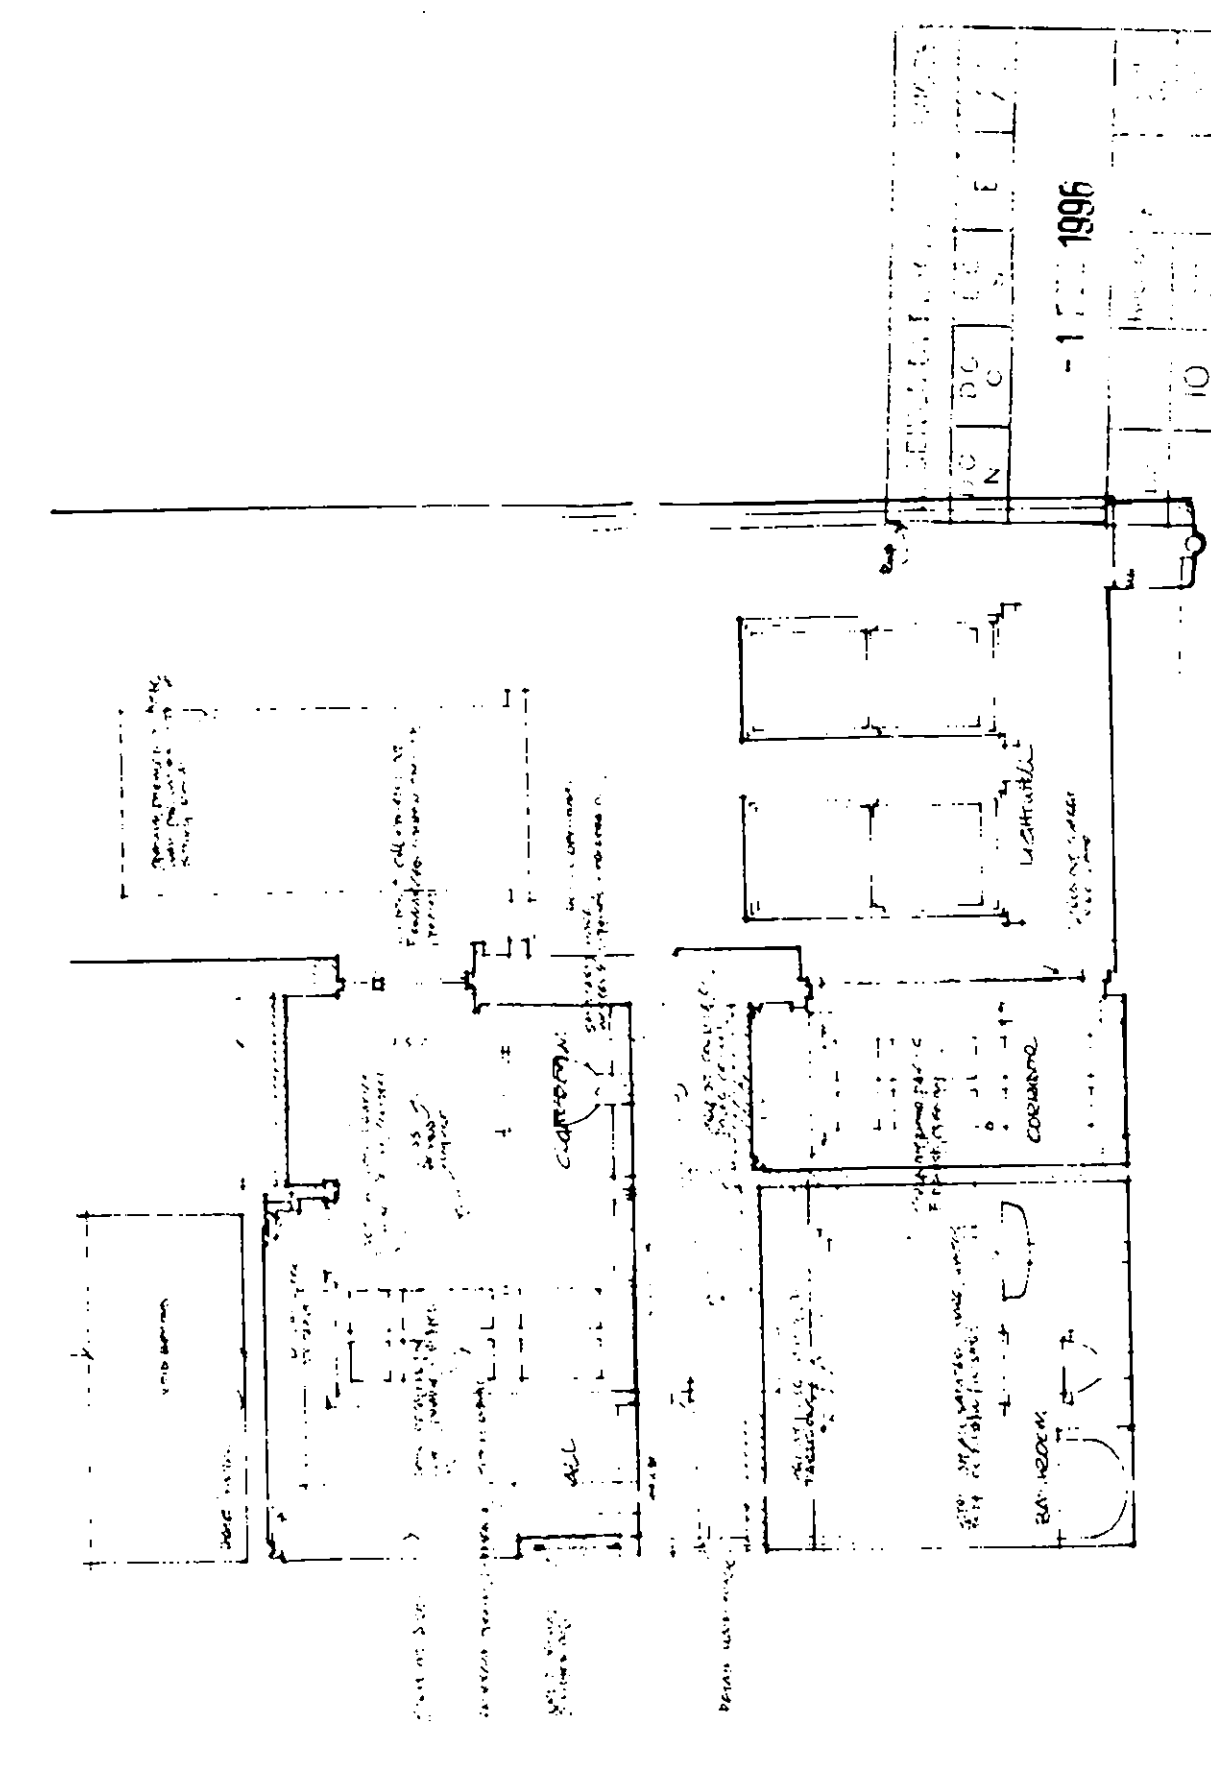

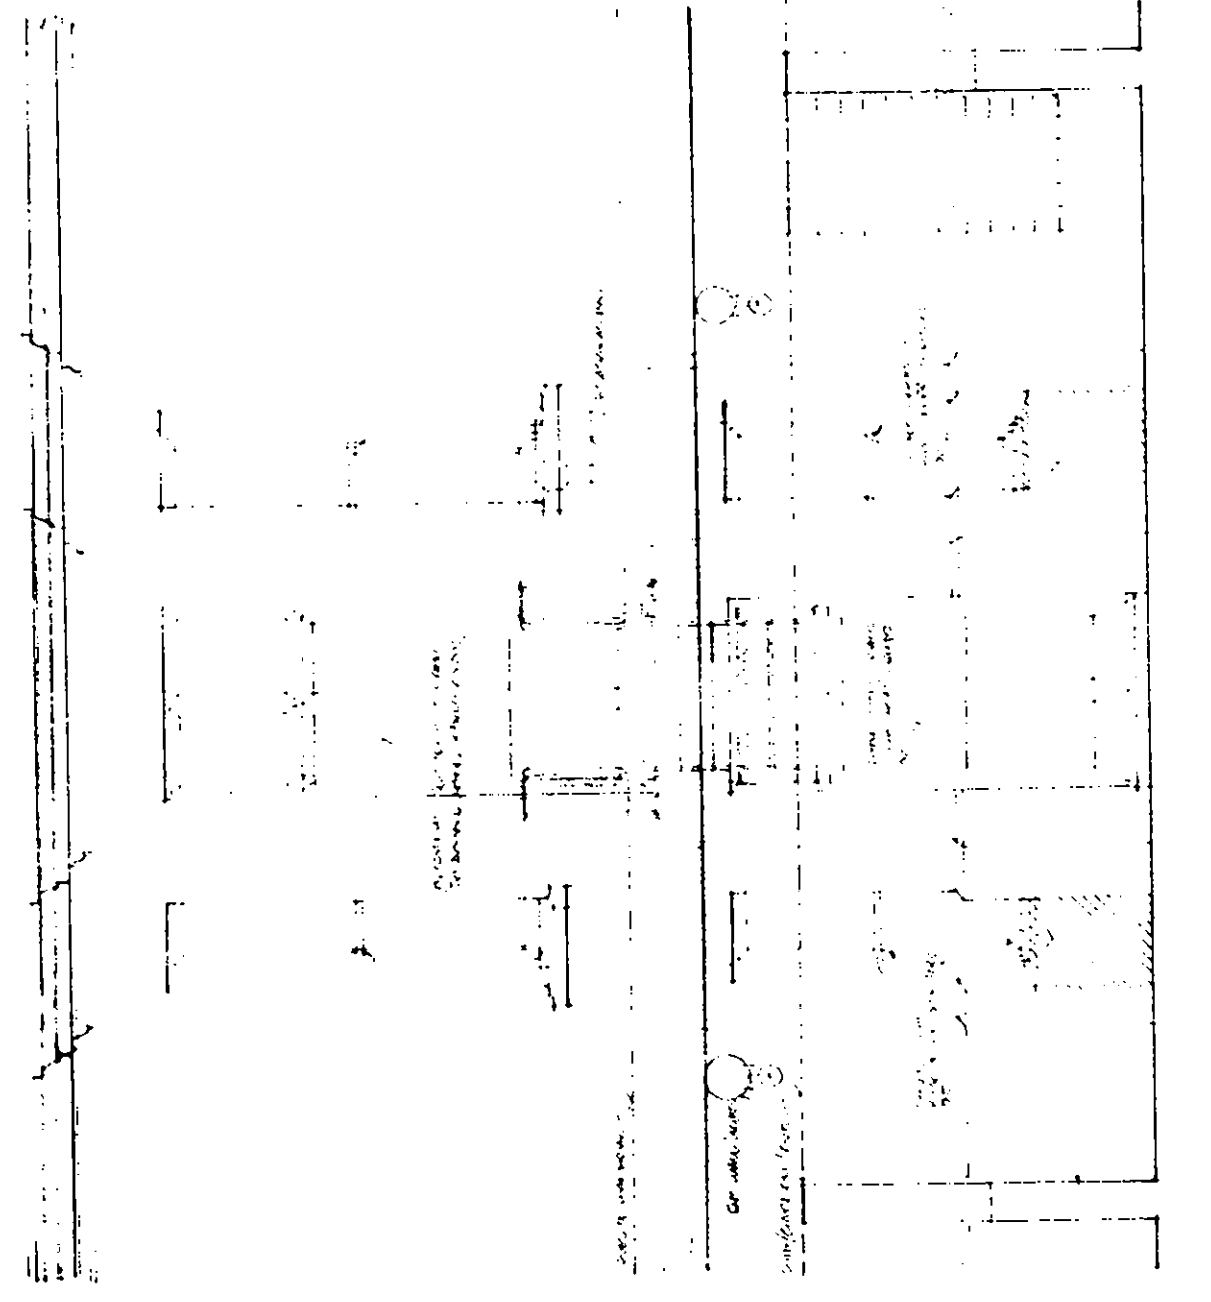

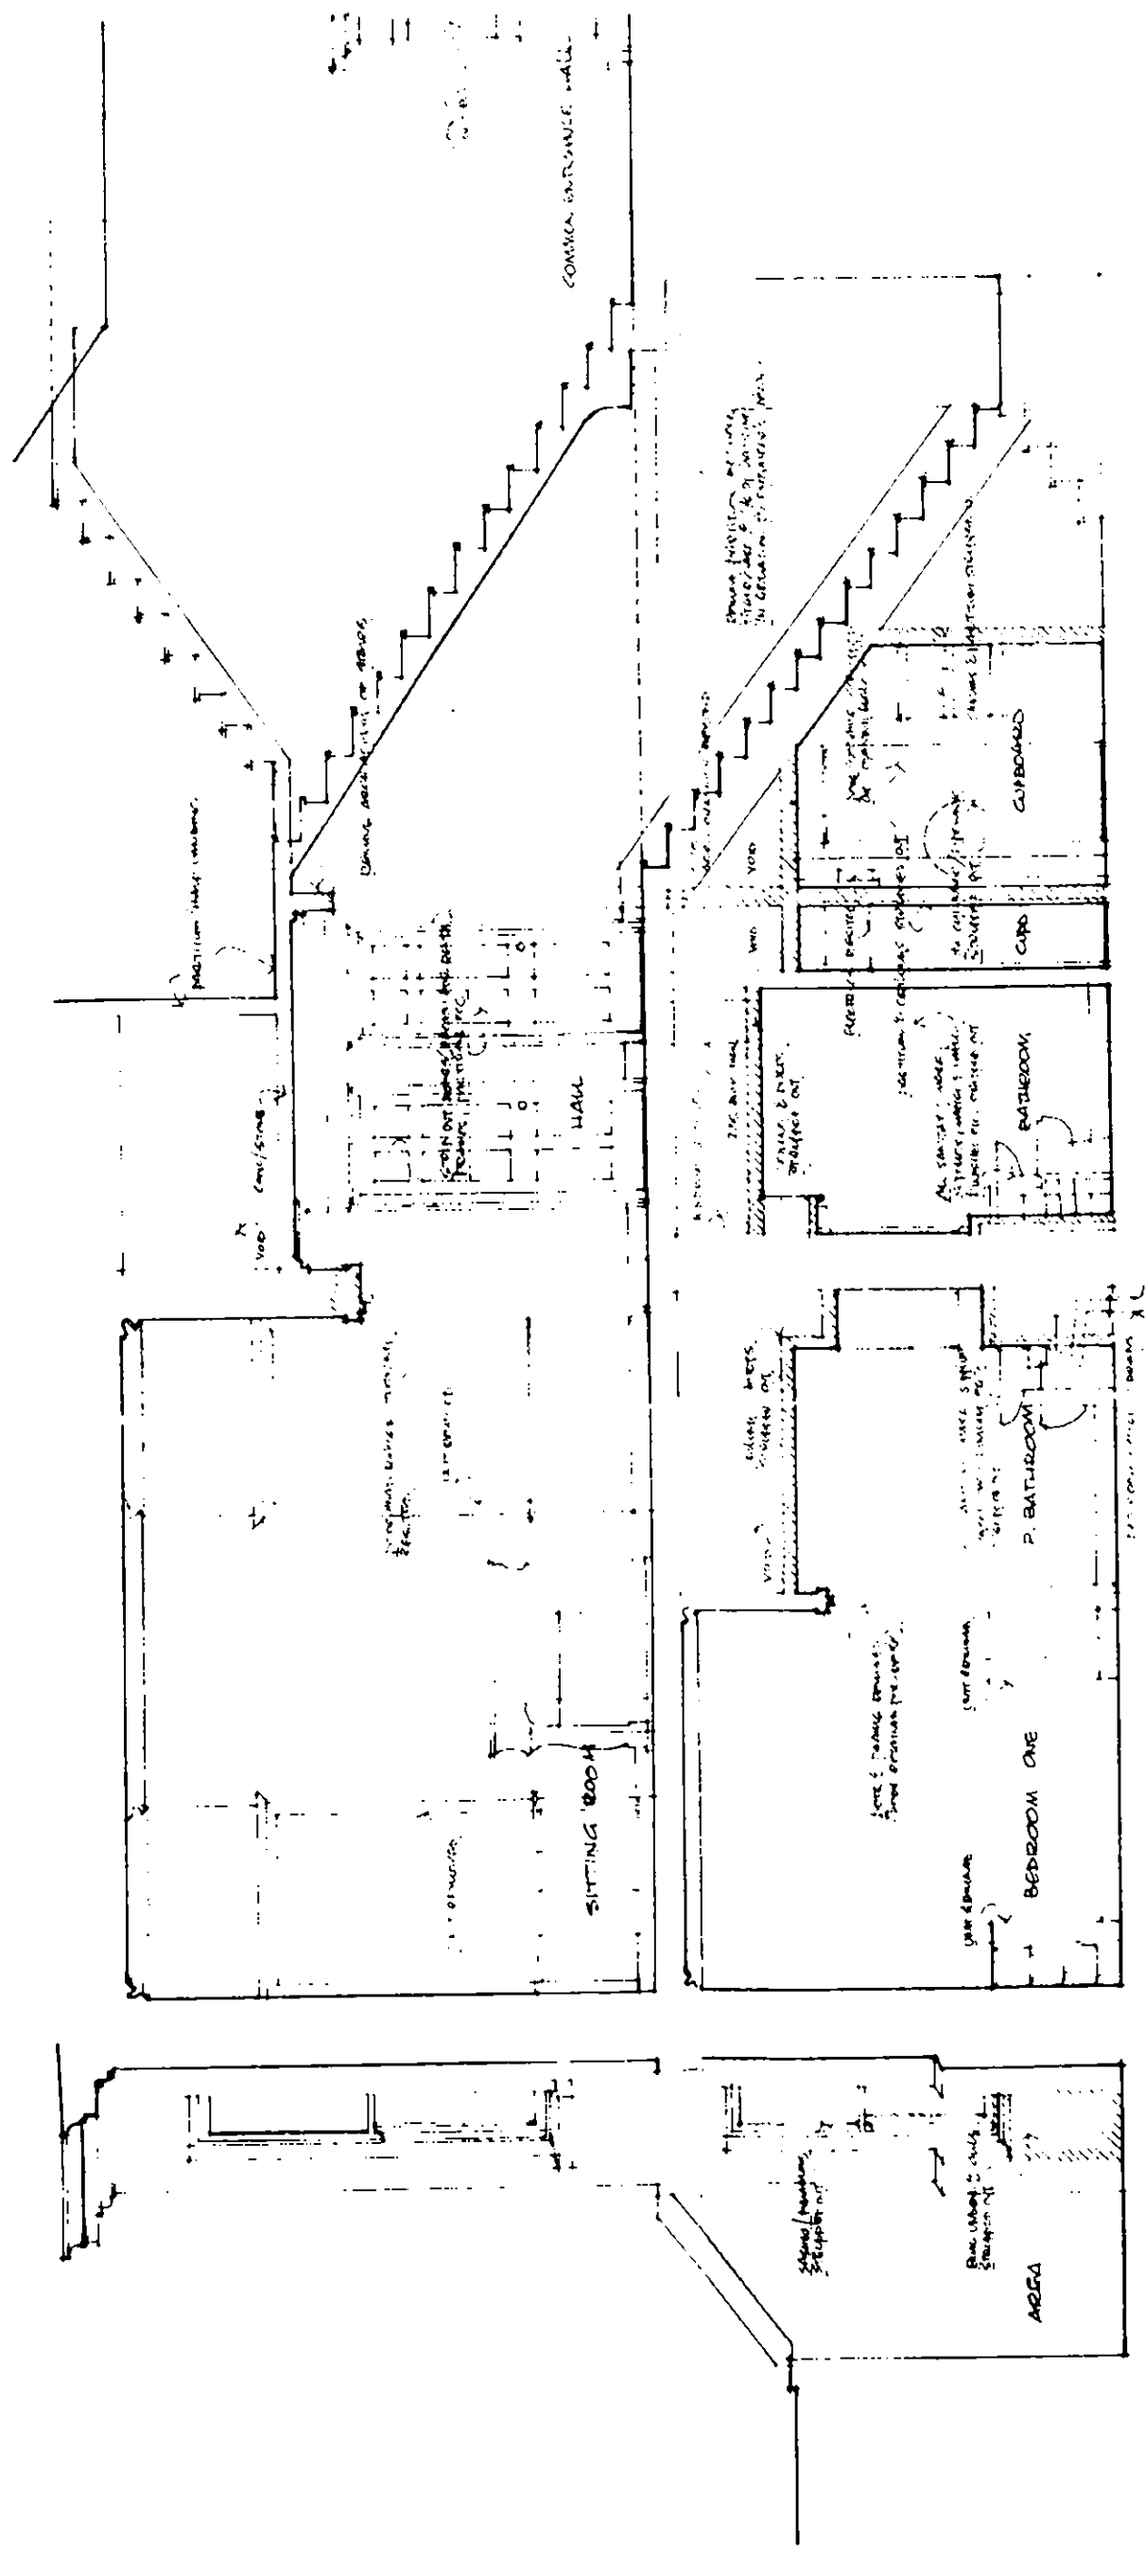

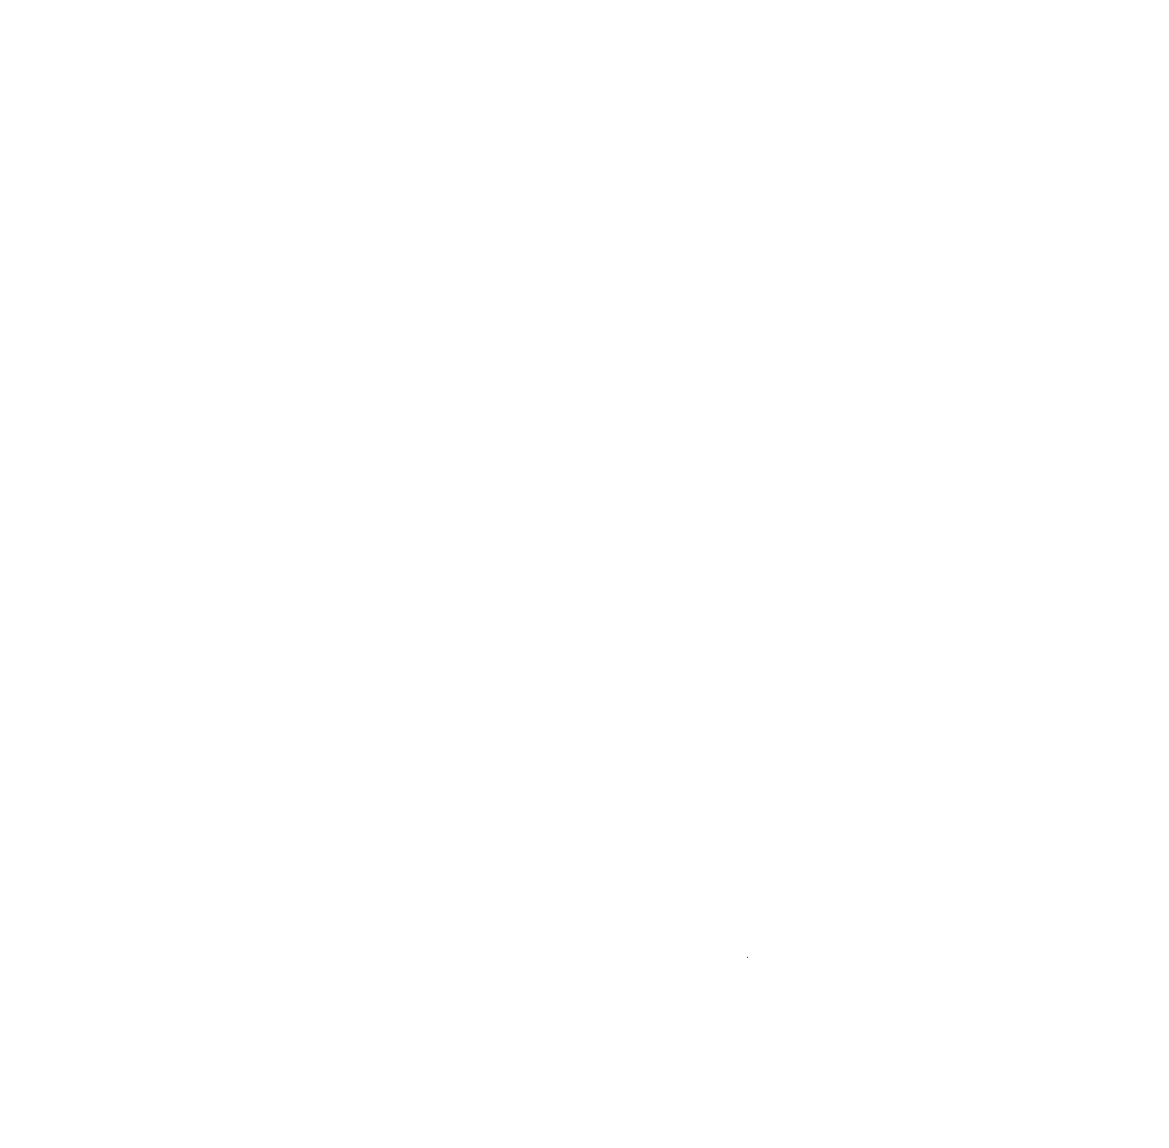

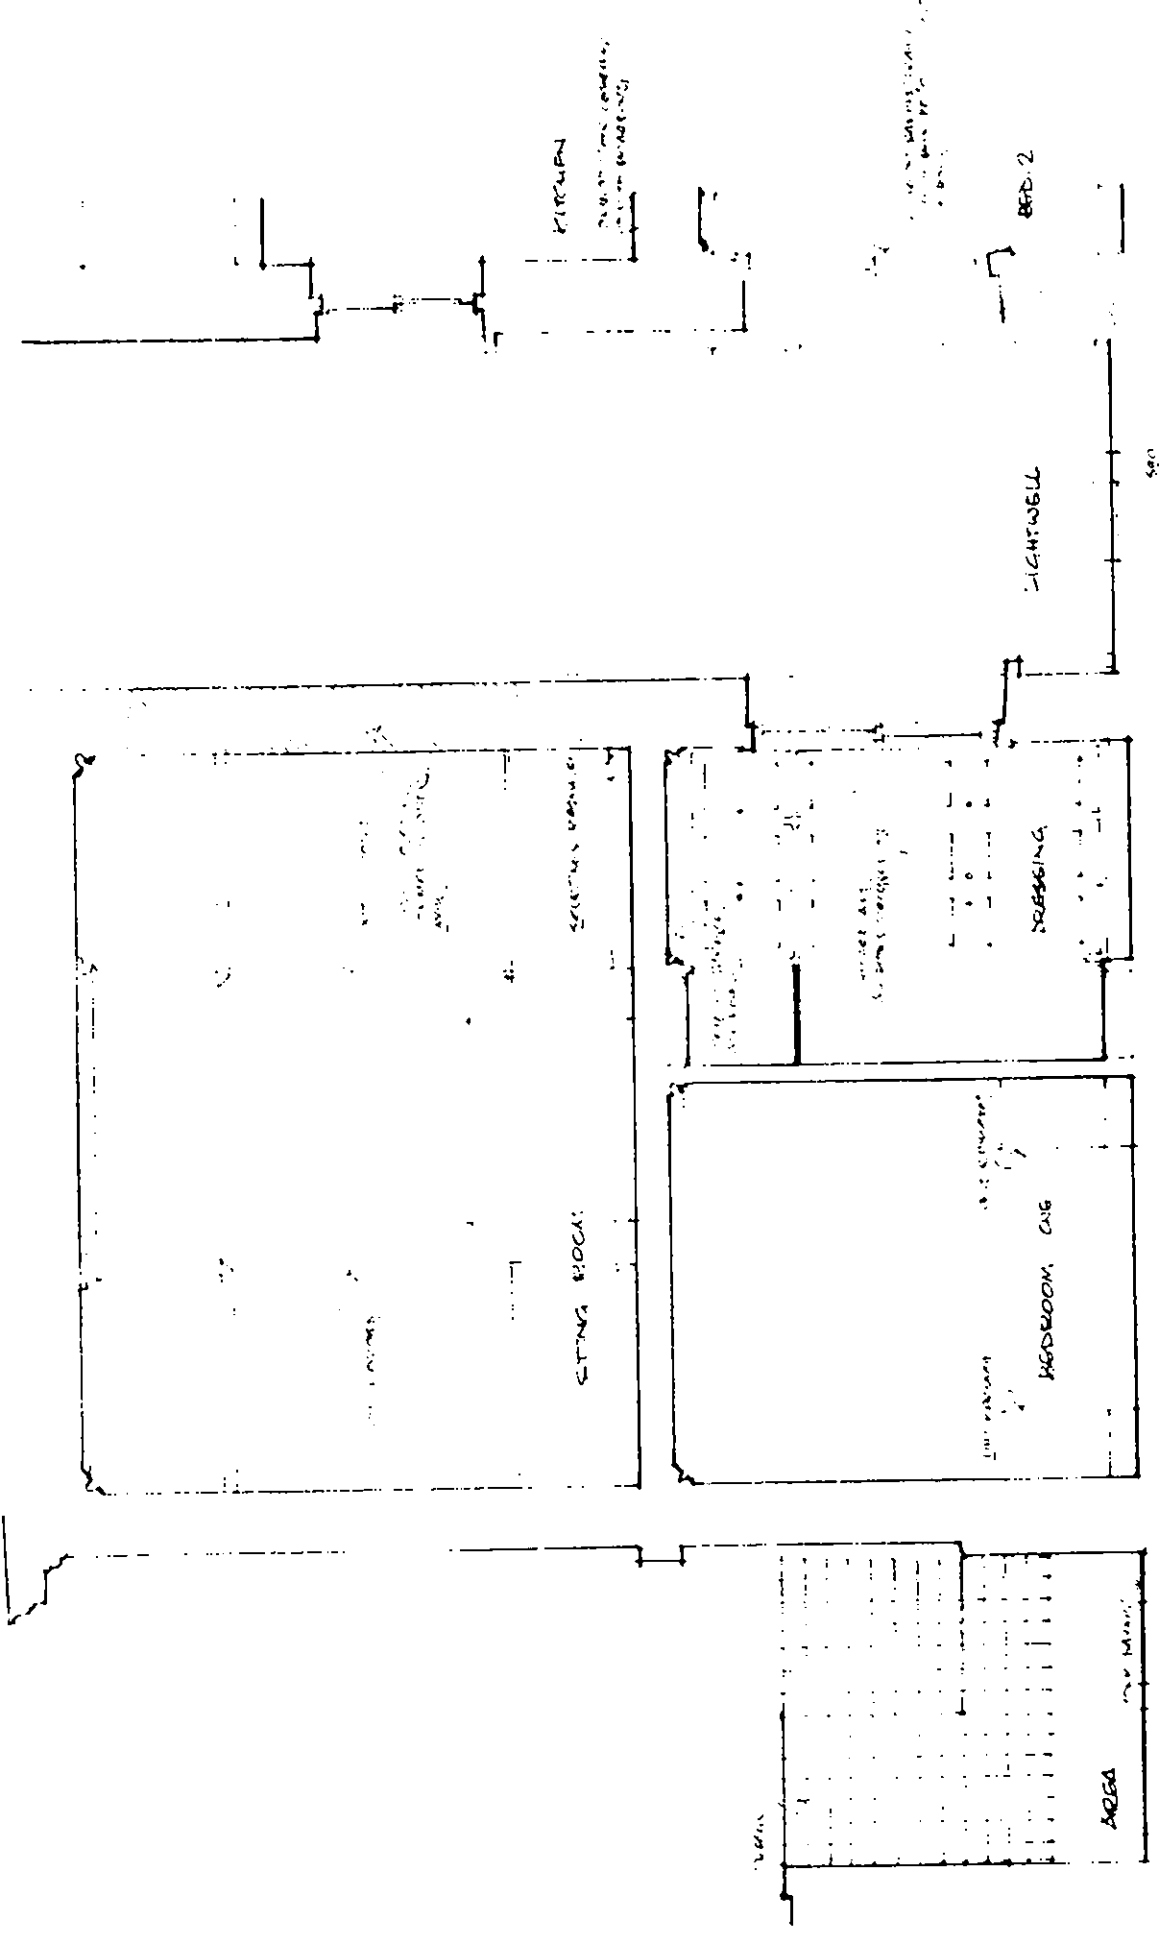

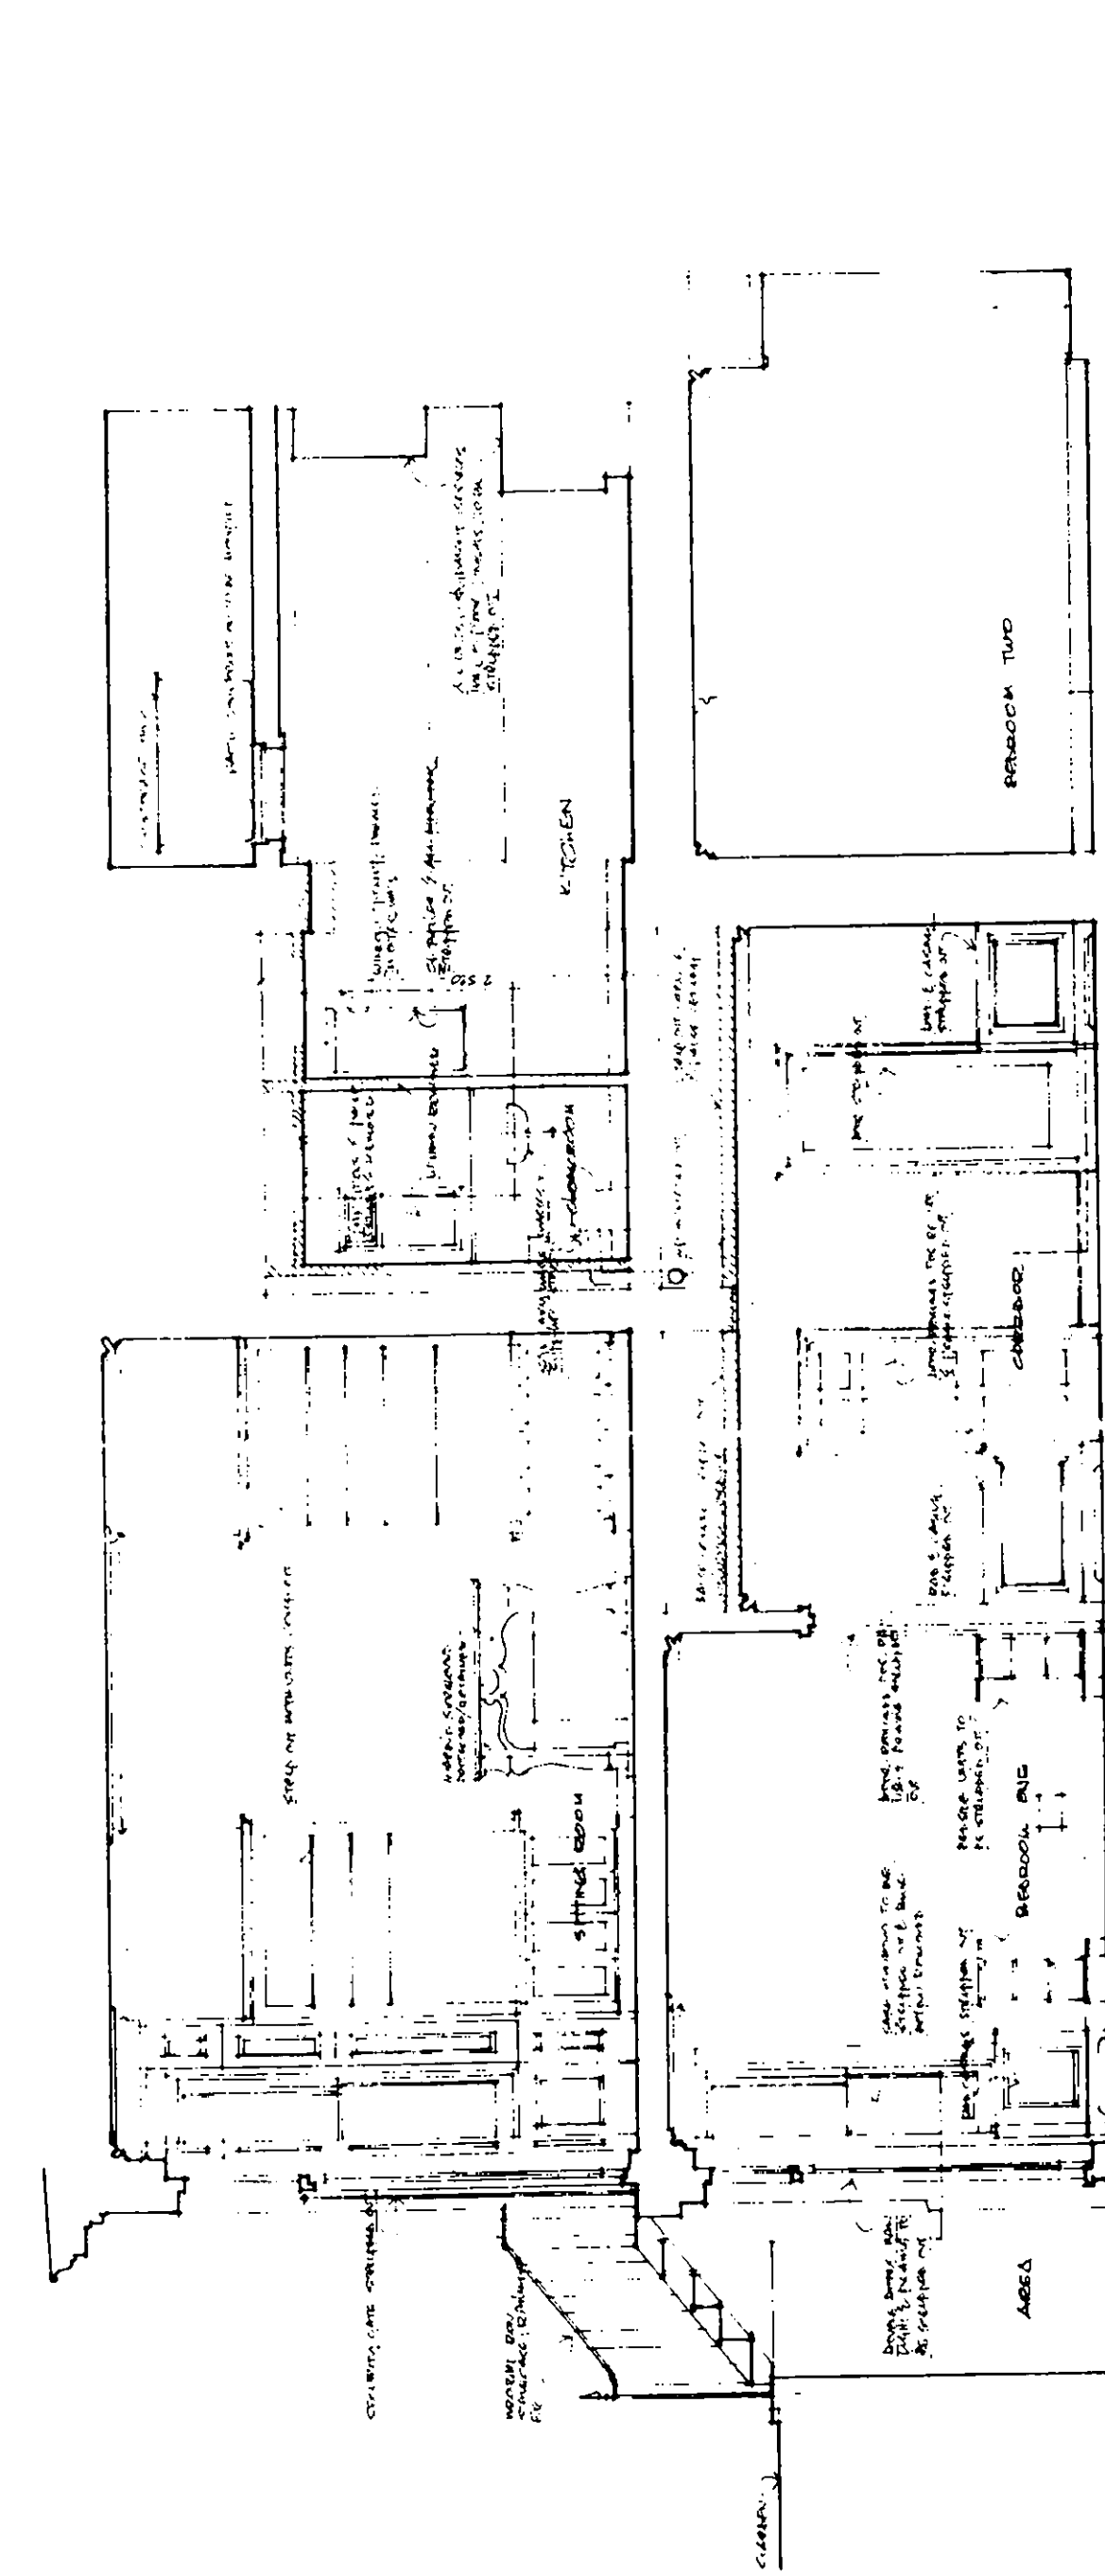

As you are aware there are a number of conditions attached to the listed building consent requiring details to be approved by the local planning authority before the relevant part of the work is begun. My assistants, Allison Flight and Helena Benes, have arranged two meetings at the premises which have subsequently been cancelled by yourself or your client.

It is important that my officers have access to the flat to check the details of the recent work to this Grade II Listed Building. Please contact either Allison Flight or Helena Benes within 7 days of the receipt of this letter, to arrange a convenient time for a site visit.
