Dear Sir/Madam

I am writing in connection to a proposed tea bar at the Pakistan High Commission London. This would be established within the premises of Pakistan High Commission (34-36 Lowndes Square) & would be a temporary kiosk, situated in our garden/marquee area. It is basically being established to cater for the requirements of the staff as well as the applicants coming to the High Commission. Kindly let us know if the Royal Borough has any objection to this. We confirm that the proprietor of this canteen would abide by the rules as laid down in the British Foods standards & other clauses as given from time to time.

Please do not hesitate to contact the undersigned if there is any query to this.

Yours Sincerely,
