Dear Sir 14 ALEXANDER SQUARE SW3 2AX

I object to the extension to the rear adjacent to my home.

This will ruin the outlook and aspect of my home. And seriously impair the view on all floors.

This is totally out of keeping and disproportionate to the area.

Under your policy 4.8 (Rear Extensions)

CD41 na: (a), (b), (c), (e), (f), (g), (h)

This is unsuitable for alteration to a listed building, and the property is in a conservation area.

B.A. Fellowes.
