WHAT MATTERS CAN BE TAKEN INTO ACCOUNT

When dealing with a planning application the Council has to consider the policies of the Borough Plan, known as the Unitary Development Plan, and any other material considerations. The most common of these include (not necessarily in order of importance):

- * The scale and appearance of the proposal and impact upon the surrounding area or adjoining neighbours;
- * Effect upon the character or appearance of a Conservation Area;
- * Effect upon the special historic interest of a Listed Building, or its setting;
- * Effect upon traffic, access, and parking;
- * Amenity issues such as loss of Sunlight or daylight, Overlooking and loss of privacy, Noise and disturbance resulting from a use, Hours of operation

WHAT MATTERS CANNOT BE TAKEN INTO ACCOUNT

Often people may wish to object on grounds that, unfortunately, **cannot** be taken into account because they are not controlled by Planning Legislation. These include (again not in any order of importance):

- * Loss of property value;
- * Private issues between neighbours such as land covenants, party walls, land and boundary disputes, damage to property;
- * Problems associated with construction such as noise, dust, or vehicles (If you experience these problems Environmental Services have some control and you should contact them direct)
- * Smells (Also covered by Environmental Services)
- * Competition between firms;
- * Structural and fire precaution concerns; (These are Building Control matters)

WHAT HAPPENS TO YOUR LETTER

Planning applications where objections have been received are presented to the Planning Services Committee which is made up of elected Ward Councillors. Planning Officers write a report to the Committee with a recommendation as to whether the application should be granted or refused. Letters received are summarised in the report, and copies can be seen by Councillors and members of the public including the applicant. The Councillors make the decisions and are not bound by the Planning Officer's recommendation. All meetings of the Committee are open to the public.

If you would like further information, about the application itself or when it is likely to be decided, please contact the Planning Department on the telephone number overleaf.

WHERE TO SEE THE PLANS

Details of the application can be seen at the **Planning Information Office, 3rd floor, Town Hall, Hornton Street W8**. It is open from 9am to 4.45pm Mondays to Thursdays (4pm Fridays). A Planning Officer will always be there to assist you.

In addition, copies of applications in the **Chelsea Area (SW1, SW3, SW10)** can be seen at **The Reference Library, Chelsea Old Town Hall, Kings Road SW3 (0171-361 4158)**, for the **Central Area (W8, W14, SW5, SW7)** can be viewed in the **Central Library, Town Hall, Hornton Street, W8**. and applications for districts **W10, W11 and W2** in the **North** of the Borough can be seen at **The Information Centre, North Kensington Library, 108 Ladbroke Grove, London W11** (under the Westway near Ladbroke Grove Station **0171-727-6583**). Please telephone to check the opening times of these offices.

If you are a registered disabled person, it may be possible for an Officer to come to your home with the plans. Please contact the Planning Department and ask to speak to the Case Officer for the application.

1.0 Planning Considerations

- 1.1 The main considerations in this case relate to the effect of the proposal on the appearance of the building itself and on the character and appearance of the conservation area.
- 1.2 The relevant planning Policies are contained in the "Conservation and Development" Chapter of the Unitary Development Plan. Policies CD38, CD44, CD52 and CD53 are of particular relevance to this application.
- 1.3 This application seeks to install a dormer window in the South facing roof slope. The proposed dormer window is considered to be in keeping with the style of the existing dormer windows on the front and side roofslopes of the property. The design of the dormer window is traditional with lead cladding and timber casement windows. It is considered that the proposal is in keeping with the character and appearance of the building itself and of the conservation area.
- 1.4 It is not considered that the proposed dormer window would have an adverse affect on the amenities of surrounding residents in terms of increased overlooking or loss of privacy.
- 1.5 The proposal is therefore considered to comply with the Council's Policies as contained in the Unitary Development Plan.

2.0 Public Consultation

- 2.1 10 letters of notification were sent to properties in Mulberry Walk and Old Church Street.
- 2.2 No objections have been received.
