Your Ref: DPS/DCSE/PP/99/02471/CT
 Proposed Development: 21 ELYSTAN ST., SW3 3NT

I object to the proposal for which permission is sought on the grounds of noise + disturbance at night - it is bad enough now, + wakes me up.

Yours faithfully

Gretton

Dear Sirs,

We are strongly against the proposed development at 21 Elystan Street, London SW3 3NT.

There is too much noise already from the two restaurants.

Dear Mr. French,

21 Elystan Street SW3, TP reference 992471 ICT

Firstly we object to the loss of the footpath through the archway This is a frequently used pedestrian route and should be maintained.

Secondly the extension of restaurant use is undesirable in an area which is already over-supplied with restaurants. Policy S13 and paragraphs 4.10 and 4.11 (page 158) of the UDP apply.

Yours sincerely,

Andrew Hamilton
Planning Secretary

ELYSTAN STREET

Dear Sir

I have been informed by Tenants on this estate who live in Maylands House Blocks E, F and G that they have received letters from you about an extention planned by Fcow Restaurant 19/21 Elystan Street. As I live directly above this restaurant I would like to know I did receive one of these letters

This restaurant has been

28

a real nuisance since it
took over from the last people.

Nothing but noise, from
Refuse Collection lorries
that collect very late in
the evening or early hours
of the morning, throwing bags
of bottles into the canal
along with other rubbish.
Restaurant door constantly
slamming regardless of the
fact our bedrooms are
directly above. People
leaving restaurant standing
talking as if it is the middle
of the day. Absolutely no
apology or consideration
given to those people living
in the flats above and
around.

I have many times

(29)

rang and written complaining
about this to the Environment
Office, but no real joy.

For what it is worth
I strongly and positively
oppose this extension.

Yours faithfully

Eileen Murray
