Dear Sir

First Floor Flat, 4 Royal Crescent, London W11 - Ref DPS/DCN/LB/99/00728/IW

I refer to the proposed development as per your letter of 20th April, 1999.

With regard to the missing fireplace I am in agreement with the Council that this should be replaced.

I am concerned that the applicant will re-apply for planning permission to perhaps build out at the back of No 4 Royal Crescent. I think the Council should also be concerned with what people do at the back of this Crescent as I believe the nature of these buildings are being destroyed.

I do not know whether this applicant has applied for such planning permission, but as a principle to keeping these houses as they should be I would be totally against such plans.

Yours faithfully,

Helen Templeton
