**CONDITIONS AND REASONS FOR THEIR IMPOSITION**

28

1. **The development hereby permitted shall be begun before the expiration of five years from the date of this permission. (C001)**  
*Reason As required by Section 91 of the Town and Country Planning Act 1990, to avoid the accumulation of unexercised Planning Permissions. (R001)*
  
2. **The development hereby permitted shall be carried out exactly and only in accordance with the drawings and other particulars forming part of the permission and there shall be no variation therefrom without the prior written approval of the Local Planning Authority. (C068)**  
*Reason - The details are considered to be material to the acceptability of the proposals, and for safeguarding the amenity of the area. (R068)*
  
3. **All new external finishes shall be in materials to match those of the exterior of the existing building(s). (C072)**  
*Reason - To preserve and enhance the character and appearance of the Conservation Area. (R072)*
  
4. **The railings to the roof terrace hereby permitted shall be painted black, and so maintained. (C082)**  
*Reason - To safeguard the appearance of the building/street. (R082)*

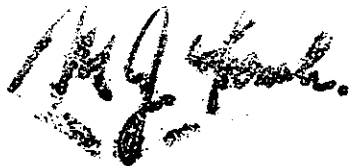

**INFORMATIVE(S)**

1. Planning Permission is hereby granted for the development as shown on the approved drawings and subject to the Conditions. Any alteration to the approved scheme, resulting from the requirements of the Building Regulations or for any other reason, may require further permission. You are advised to consult the Directorate of Planning Services before commencing work. (I09)
  
2. Your attention is drawn to the Conditions of this Permission and to the Council's powers of enforcement, including the power to serve a Breach of Condition Notice under the Town and Country Planning Act 1990, as amended. (I10)
  
3. Separate approval for the works hereby granted planning permission may be required by the Building Act 1984 and the Building Regulations 1991, and the grant of planning permission does not imply that such approval will be given. The Director of Building Control, Town Hall, Hornton Street, W8 7NX should be consulted before works commence. (I21)

4. Any proposals for external fire escapes, exit housings, roof walkways, or safety railings arising from the requirements of the Building Regulations may require further planning permission, and approval under those Regulations does not imply that planning permission will be granted. The Directorate of Planning Services will be pleased to advise on the implications of any changes. (I22)
5. Demolition and building works are subject to the Environmental Protection Act, 1990, and appropriate controls over methods, screening, and protection of site, noise, or hours of work, may be imposed by the Council. You are advised to consult the Director of Environmental Health, Council Offices, 37 Pembroke Road, W8 6PW at an early stage. (I30)
6. Your attention is drawn to the British Standards Code of Practice for Demolition, and the Environmental Protection Act 1990 relating to nuisances, the observation of which should considerably reduce the risks and nuisance inherent in demolition work (particularly in relation to fire hazards arising from the practice of burning materials on site) both to operatives on site and to the general public. (I31)
