Dear Sirs,

Re: PLANNING APPLICATION REF DPS/DCS/GA/TP/96/O692
3 REDCLIFFE PLACE, SW10

I have looked at the plans relating to the above planning application and have the following comments :-

- 1) The new roofline will curtail the amount of sunlight reaching my first floor windows, particularly in winter when the sun is at a lower angle.
- 2) The planning committee has disallowed alterations to rear elevations in Langton Street in respect of a similar type of building. Does it apply a consistent policy throughout the Borough ?

Yours faithfully,

J D Jackson
