Discontinuance of deemed consent

8.-(1) The local planning authority may serve a notice requiring the discontinuance of the display of an advertisement, or the use of a site for the display of an advertisement, for which deemed consent is granted under regulation 6 if they are satisfied that it is necessary to do so to remedy a substantial injury to the amenity of the locality or a danger to members of the public: but in the case of an advertisement within Class 12 in Schedule 3, they may not do so if the advertisement is also within Class F or Class G in Schedule 2.

(2) A discontinuance notice-

- (a) shall be served on the advertiser and on the owner and occupier of the site on which the advertisement is displayed;
- (b) may, if the local planning authority think fit, also be served on any other person displaying the advertisement;
- (c) shall specify the advertisement or the site to which it relates;
- (d) shall specify a period within which the display or the use of the site (as the case may be) is to be discontinued; and
- (e) shall contain a full statement of the reasons why action has been taken under this regulation.

(3) Subject to paragraphs (4) and (5) below, a discontinuance notice shall take effect at the end of the period (being at least 8 weeks after the date on which it is served) specified in the notice.

(4) If an appeal is made to the Secretary of State under regulation 15, the notice shall be of no effect pending the final determination or withdrawal of the appeal.

(5) The local planning authority, by a notice served on the advertiser, may withdraw a discontinuance notice at any time before it takes effect or may, where no appeal to the Secretary of State is pending, from time to time vary a discontinuance notice by extending the period specified for the taking effect of the notice.

(6) The local planning authority shall, on serving on the advertiser a notice of withdrawal or variation under paragraph (5) above, send a copy to every other person served with the discontinuance notice.

Appeals to the Secretary of State

15.-(3) Where a discontinuance notice is served under regulation 8, sections 78 and 79 of the Act shall apply subject to the modifications specified in Part V of Schedule 4.

Contravention of Regulations

27. A person displaying an advertisement in contravention of these Regulations shall be liable on summary conviction of an offence under section 224(3) of the Act to a fine of an amount not exceeding level 3 on the standard scale and, in the case of a continuing offence, one-tenth of level 3 on the standard scale for each day during which the offence continues after conviction.

(2) Notice of appeal shall be given in writing to the Secretary of State at any time before the date on which the discontinuance notice is due to take effect under regulation 8(3), taking account where appropriate of any extension of time under regulation 8(5), of those Regulations, or such longer period as the Secretary of State may allow, and the notice shall be accompanied by a copy of each of the following documents -

- (a) the discontinuance notice;
- (b) any notice of variation thereof; and
- (c) any relevant correspondence with the authority.

(3) Where an appeal is brought under this section, the Secretary of State may require the appellant or the local planning authority to submit to him, within such period as he may specify, a statement in writing in respect of such matters relating to the discontinuance notice as he may specify and if, after considering the grounds of appeal and any such statement, the Secretary of State is satisfied that he has sufficient information to enable him to determine the appeal, he may, with the agreement in writing of both the appellant and the local planning authority, determine the appeal without complying with section 79(2)."

2. In Section 79 -

(a) for subsection (1) substitute-

"(1) Where an appeal is brought in respect of a discontinuance notice the Secretary of State may-

- (a) allow or dismiss the appeal, or
- (b) reverse or vary any part of the discontinuance notice (whether the appeal relates to that part of it or not),

and may deal with the matter as if an application for express consent had been made and refused for the reasons stated for the taking of discontinuance action.";

(b) for subsection (4) substitute-

"(4) On the determination of an appeal under section 78 the Secretary of State shall give such directions as may be necessary for giving effect to his determination including, where appropriate, directions for quashing the discontinuance notice or for varying its terms in favour of the appellant.";
