

North Kensington Library

Building works at North Kensington Library

We regret to inform you that the lift at North Kensington Library is currently out of use. The fault has been reported and will be fixed as soon as possible. Please speak to library staff if you need any assistance. We will provide an update when the lift is fixed. Please accept our apologies for any inconvenience caused.

From **Monday 16 September 2019**, work will start on North Kensington Library's mezzanine floor. This repair and renovation should be completed by **Monday 7 October 2019**.

The library will be open as normal during this time and most of the noisiest work will take place when the library is closed. However, some of this work may take place during the library's opening hours. We are sorry for any inconvenience this will cause.

Further improvements to the library are being planned for the near future. If you have any questions, please contact us on 020 7361 3010, email us at libraries@rbkc.gov.uk [1] or pop in to speak to staff at North Kensington Library.

North Kensington Library

108 Ladbroke Grove, London W11 1PZ
