

Teacher Recruitment

There are several ways to apply for teaching positions in Royal Borough of Kensington and Chelsea schools:

- [Royal Borough of Kensington and Chelsea Jobs page](#) [1] - the jobs page is used to advertise current vacancies in the Borough; these are divided into Business Groups. This page also has a Job Alerts service which can keep you up to date with all current vacancies as they are posted.
- [School Websites](#) [2] - all schools within Kensington and Chelsea have their own school website – accessible to students, staff and parents. Most will include a jobs page and here you will be able to access a current list of vacancies.
- [Times Educational Supplement](#) [3] - in addition to the paper, there is the TES website and the [TES New Teachers website](#) [4] which is dedicated to supporting trainee and newly qualified teachers through the initial years of their career. The site offers advice, jobs, resources and information on school placements.

Your teaching career starts here

For Primary and Early Years First Teaching Posts

You may submit an application to the central pool database for posts suitable for NQTs starting in September. Successful applications will be made available to schools in Kensington and Chelsea and Westminster, according to the applicant's preferences. Newly qualified teachers or teachers due to qualify with QTS this academic year are invited to apply to the pool which will close on 25 February 2019.

Applications which meet the selection criteria will be shortlisted and made available to schools for their consideration. Suitable candidates will be invited for interview according to the school's requirements. Please note that acceptance to the pool does not guarantee employment.

All offers of employment will be made by the individual school and will be dependent on accurate information being provided, the award of QTS, satisfactory checks and references.
