

Strategic information on adult social care services

[Some FAQs about the future tri-borough working with the London Borough of Hammersmith and Fulham and City of Westminster](#) [1] [PDF] (file size 75.9Kb)

Developing the best services for the future

Adult social care is working to develop good quality services for adults in the borough based on the current and future support needs of the community. We want to offer services that improve the well-being and health of local people and reduce inequalities.

[Joint Strategic Needs Assessment Information \(JSNA\)](#). [2] Also known as "A Picture of our Borough", the annual review of local needs in easy to understand factsheets.

[Adult Social Care Service Standards 2011-12](#) [3]. [PDF] (file size 376Kb). Booklet telling you what you can expect from Adult Social Care.

Our Big Plan for Services for Adults with Learning Difficulties
