

Gunnersbury Cemetery

Gunnersbury Cemetery

Founded in 1929, Gunnersbury Cemetery is situated adjacent to Gunnersbury Park and occupies approximately 8.9 hectares of land.

The main office covering both of the borough's cemeteries is located here. There are toilet facilities and car parking spaces for 45 cars. The cemetery also contains a chapel which has an induction loop fitted, an electric piano organ and a selection of suitable CD music for services. A Garden of Remembrance affords the interment of cremated remains.

The cemetery entrance drive is lined with displays of colourful flower tubs and floral bedding arrangements, including flowering shrubs such as camellias and roses along the side walls.
