

Heythrop College

Heythrop College, on Kensington Square, is closing in December 2018. The Jesuits, who own the site, are selling it in order to release funds to help secure the long term future of the college elsewhere.

The Council has produced a supplementary planning document (SPD) that sets the parameters for the redevelopment of the site.

This Council has explored some of the site constraints and looked at some issues and options to be considered in response to any development proposals. An '[issues and options](#) [1]' paper was consulted on between 20 October 2015 and 17 November 2015 and a further draft SPD was consulted on between 6 January 2016 and 3 February 2016.

The SPD was adopted by [Key Decision](#) [2] on 31 May 2016.
