

North Ken News

North Ken News is a monthly publication which is delivered to households in North Kensington. It was launched in direct response to residents' feedback for more information about what is happening in the local area. It covers seven wards:

- Colville
- Dalgarno
- Golborne
- Norland
- Notting Dale
- Pembridge
- St Helen's

The newsletter is very much shaped by content and ideas from the community and includes anything from news, features, events, local activities, courses, training and employment activities and lots more.
